

This portion of the meeting is an opportunity for public comment on agenda items. Patrons who have filled in an "Intent to Speak" card, will be called on to comment. Normally the Board will not take immediate action on these issues, but will instead refer them to the Superintendent and ask him to report back to the Board at a later date.

Speakers may offer objective criticism of district operations and programs which are on the agenda, but the Board will not hear complaints concerning individual district personnel. In this event, the Chair will direct the visitor to the appropriate means for Board consideration of legitimate complaints involving individuals.

Letters may be offered as public comment only if the author, or designated proxy, is physically present to do the actual reading.

Speakers who wish to share hard-copy materials with the Board are encouraged to present thirteen copies of each relevant document to the District Office no later than 5 pm on the Monday preceding the Board meeting date.

We would appreciate you limiting all public comments to three (3) minutes per individual or five (5) minutes if you are representing a group of patrons.
