

FLEX Academy Frequently Asked Questions

Questions	Answers
How often can my student talk with the teacher?	The teacher is available for the student Monday-Thursday, 8am-3:30pm. Scheduled Zoom calls are available as well.
Can my student come into the FLEX classroom for help from the teacher or just to have a place to do school work?	Yes. Our K-8 classroom is available up to three hours a day for FLEX students. Please contact the FLEX Academy coordinator to arrange a time during classroom hours of 8am-3:30pm Monday - Thursday. Hybrid student times varies.
Can my High School Student do a curriculum that is not on digital learning?	State requirements for graduation and a transcript are set for High School students. High school students can choose from our digital curriculum or do in person learning on campus. Student, FLEX & HHS Academic Counselor can meet to arrange.
Can my high school student take classes on campus and also do digital learning from home?	Yes. You will work with the FLEX Coordinator and High School Counselor to arrange classes.
Can my student play sports at Harrisburg	Yes. If your student is enrolled with the FLEX Academy, your student is considered a Harrisburg School District student. For sports interests, we will involve the Harrisburg Athletic Director for a final answer and approval.
We take classes through the FLEX Academy but we don't live near Harrisburg. Can my high school student play sports at our local high school?	You will need to speak with your local high school. Due to OSAA rules, there are restrictions. We will also make sure our AD knows.
We are in another school district but take FLEX Academy classes. My high school student wants to play sports at Harrisburg, can they?	Yes, however we will need to involve our Athletic Director before we give you an official answer. OSAA rules are clear and we want to make sure the our Harrisburg High School does not get any penalties from OSAA based on students from other school districts.
Can my student take two different digital curriculum classes?	Yes. We offer a few different platforms for digital curriculum. Students are able to mix and match curriculum to fit their learning plan.
Where does my high school student do their work when part of the FLEX program?	High School Students will work in a designated classroom on the high school campus.

Are high school students allowed in the FLEX classroom at the middle school.	Students and their parents are allowed to come in when speaking with the FLEX coordinator. They are not allowed to do work in the FLEX classroom at the middle school
Can my student go as fast as they want through the digital learning program?	Yes, as long as they are passing their classes a student can move at their own pace. Classes, the next semester can be added and the student can continue.
How often does my student need to check in with the teacher?	Students need to email, call or zoom their teacher each day per ODE attendance guidelines.
Can my student be in the FLEX classroom all day and do their work?	No. The FLEX Academy was designed for online students to do their studies at home and not be in the FLEX classroom the entire day. It is recommended that a student not be in the FLEX classroom more than 3 hours a day when taking all online classes.
What is a FLEX Hybrid student?	A hybrid students takes one or more FLEX online classes and also take in person courses as well with regular brick and mortar teachers.
Can my student take Band if they are a FLEX student?	Yes. If your FLEX student has band and would like to come in 1 hour before band and 1 hour after band to work in the FLEX classroom, they are allowed to.
