EGF ISD 595 Families and Staff Members!

I hope your summer is off to a great start and you are finding time to enjoy time with your family members and friends. The primary reason for this correspondence is to share information about two news items that were recently posted on the school district website regarding the 2021-22 Safe Return to School Plan and Elementary and Secondary School Emergency Relief Funds (ESSER) use survey. District leaders will be using the survey and comment information to make future decisions regarding both topics.

Please go to [2021-22 EGF ISD 595 Safe Return to School Plan Draft](#) to preview an outline of the return to school plan. Comments about the draft of 21-22 Safe Return to In-Person Learning Plan can be submitted by going to [2021-22 Safe Return to In-Person Learning Plan Survey](#).

East Grand Forks Public Schools is also requesting feedback on allocating Elementary and Secondary School Emergency Relief Funds (ESSER funds). East Grand Forks Public Schools has been allocated approximately \$1,996,810 in ESSER III funds to be used by September 1, 2024. 20% of ESSER III dollars should focus on the learning loss and mental health needs of our students. This survey will provide our stakeholders with an opportunity to share their input on how best to allocate funds. Please go to [ESSER PUBLIC INPUT SURVEY](#) to complete the survey.

Thank you for taking time to read the information and provide feedback!
