NJHS

Student Council and NJHS joined forces last month to coordinate a Kindness week.

A food drive for Loaves & Fishes was also held. The freshman class donated the most food and won donuts supported by Student Council. Students will be invited to join NJHS next fall.

Enrollment Processes

Student enrollment cards and other paperwork at the HS level will be distributed at orientation this fall. The date for orientation and school pictures has not been established at this time.

NHS

NHS is proud to share that Galesburg-Augusta High School was the only school in Kalamazoo County to maintain a full blood drive schedule during COVID 19.

NHS welcomed its new cabinet and celebrated seniors during their last NHS meeting before graduation.

Counselor's Corner

As your school counselor I am here to support all students. Know that I am just a phone call or a click away. I can be reached at 269-484-2103 or christine.walmsley@garams

“Decision Week” was held at the high school the first week of May. Students 8-12 participated in a school wide college focused scavenger hunt. Seniors were celebrated in the cafeteria with a graduation cap decoration station, a photo station, and a 2021 banner.

Students' schedules are being finalized by the counseling office. All dual enrollment,

EFE/EFA/Work based learning deadlines for next year have passed. Ms. Walmsley has met with and/or emailed students requests for their elective choices for next school year. If you have any questions about your student's schedule please email:

christine.walmsley@garams.org

Students can login into Xello at any time to look into postsecondary and career options. [Xello Link](#)

Check with Ms. W for summer job opportunities!

Attention parents of current 11th graders! Is your student planning to attend college? Colleges and Universities open applications for 2022-2023 year this summer and can apply through next Winter. I recommend current juniors create a Common App account this summer. Common App makes the college application process seamless by allowing students to apply to multiple college/universities at one time. There is also a college guide, cost estimator, and many more resources. <https://www.commonapp.org/>
