

Student Data Privacy

July 1, 2021 the Student Online Personal Protection Act (SOPPA) goes into effect for the State of Illinois. This page is to serve as a resource for Rome Community Consolidated District #2 staff, students and families.

Law	Description	Resources
Family Educational Rights and Privacy Act (FERPA)	Governs information in the student's education record, restricting access and use of student information.	
Student Online Personal Protection Act (SOPPA)	Guarantees that student data is protected when collected by educational technology companies, and that data is used for beneficial purposes only.	<p style="text-align: center;">Data Privacy Agreements (DPA)</p> <p>Rome CCSD # 2 leverages the Student Data Privacy Consortium (SDPC), which is a unique collaborative of schools, districts, regional, territories and state agencies, policy maker, trade organizations and marketplace providers addressing real-world, adaptable, and implementable solutions to growing data privacy concerns. Through the SDPC we enter into contracts with 3rd party vendors who handle our student's data.</p>
Children's Online Privacy Protection Act (COPPA)	Restricts the collection of personal information from children under 13 by companies operating websites, games, mobile applications, and digital services that are directed to children or that collect personal information from individuals known to be children.	
Children's Internet Protection Act (CIPA)	Imposes certain requirements on schools that utilize the federal E-Rate program to receive discounts for internet access and technology services, or that receive federal grants for other technology expenses.
