

High School Studio Arts Supply List 2021-22

Barnitz/Crowder (HS STUDIO ART)

We are currently working with [DAVID ARTS CENTER](#) to put together a “STUDENT ART BOX”, which would include all the basic art supplies needed for ART I, II, III, IV.

The “STUDENT ART BOX” would be ordered by the parents online and delivered directly to school with the student’s name and information. This option would be cheaper than buying supplies individually off of the list and eliminate the excuse of not being able to get a ride to the art store.

More information to come.

High School STUDIO ART
