

¡Hola! My name is Ms. Caitlyn Petrus, and I am looking forward to teaching beginning Spanish to your child this school year!

Students need to bring:

- 1.) two packages of 12 count crayons with their name on them.
- 2.) A pair of scissors
- 3.) A package of glue sticks.

We work a lot with naming colors in Spanish and filling out activities that require students to color. Also, we do plenty of cut and paste activities. I want to make sure that students have enough for the 2021-2022 school year to keep in the classroom. Thank you!
