Dear Parents/Guardians:

What an incredible journey! Despite the odds and many challenges we had to endure, we can all look back and say, "We Made It!" It has been an honor and a pleasure to serve each of you and your precious children for the 2020-2021 academic school year. J. Cresswell Stuart ECDC is home to some of the brightest scholars in the world! We believe in our scholars, and we value them. We have the highest level of respect for them and their families. We acknowledge each day that their education is a high priority, and we are confident that our scholars will do great things in the world someday!

Parents, thank you for your ongoing support. We could not have completed this school year without you. We deeply appreciate the opportunity to be of service, and we wish you and your child much continued success as you move forward in the journey. Again, it has been our honor and pleasure to serve you. Peace be with you until we meet again.

In Unity & Solidarity,

Adrian C. Cora-Waters
