Member Name (Print): \_\_\_\_\_

Membership in the National Honor Society is one of the highest honors that can be awarded to a high school student. Our chapter of NHS has worked hard to bring the accomplishments of outstanding students to the attention of parents, teachers, peers, and the community. Our chapter strives to give practical meaning to the Society's standards of scholarship, leadership, service, and character. These four ideals have been considered as the basis for your selection. No student is inducted simply because of a high academic average. The National Honor Society strives to recognize the total student—one who excels in all of these areas. No student is inducted simply because of a high academic average. The National Honor Society strives to recognize the total student - one who excels in all these areas. The standards used for selection are:

Character --- Scholarship --- Leadership --- Service

Membership, however, is more than an honor. It is an ongoing responsibility and an obligation to continue to demonstrate those outstanding qualities that resulted in your selection. Your membership also carries a responsibility to the chapter. If our chapter to the National Honor Society is to be effective and meaningful, each member must become involved.

SES NHS membership requirements:

- maintain a 3.3 cumulative GPA
- attend at least half of the annual meetings
- 10 hours of community service annually
- 2 NHS service projects
- Annual Membership Dues (\$15)
- Exhibit the four cardinal principles at all times

I understand the commitments, listed above, that I have made as a member of the Southeast of Saline National Honor Society. Failure to uphold these commitments may result in my dismissal from the club.
