

# 6th Grade School Supplies 2023-2024

Welcome to Falls Middle School!

Chromebooks and chargers will be issued to students the first week of school.

- notebooks just for Math class (either 1 large or multiple small)
- pencils (LOTS OF PENCILS! Sending a box a quarter would probably be advisable.)
- colored pencils
- tennis shoes (Phy. Ed.)
- backpack
- computer mouse (**optional**)
- TI-30XS Multiview calculator is **optional** for math class. This calculator would last them through 8th grade.
- We strongly recommend a chromebook case to hold a charger, chromebook, mouse, and pencils. This is a great alternative since backpacks are **not** allowed in the classrooms. An item option could be: HESTECH Laptop case 11.6"-12.3" about \$12 @ Amazon.

- Students must know their **locker combination**.
- Students must know their student **Skyward** id and password to check their own grades and missing assignments.
- Students must know their **ISD361 Google** email and password for assignments and to access Google Classroom daily. (Contact Mike Blesi with any questions: [mblesi@isd361.org](mailto:mblesi@isd361.org) ext. 1119)

+++\*\*Please **do not** bring your cellphone to class \*\*+++

Materials you may wish to donate to one of the classes would be:

**\*\*\*disinfectant wipes      \*\*\*box of tissues      \*\*\*pencils**

**Dear Parents/Guardians,**

**We are very excited to have your son/daughter in our classes this year. Please take a few moments to email your child's teachers and let us know of any qualities, talents, strengths and interests that your son/daughter has. Also, share what you and your son/daughter believe is difficult or challenging for him/her in school.**

**Also, please make sure to update the office with current contact information, including email, phone numbers and emergency contacts.**
