Sunday, November 29, 2020 – 7:15 p.m. (20-21 School Year Update #58)

Dear Families of Frankfort CUSD #168:

I hope that this post finds you at the end of an enjoyable and safe Thanksgiving weekend as we move into the last 3 weeks of our semester doing classes **Full-Time**, **All-Remote**. Mid-term reports have and will be arriving in the mail during these few days, so students should know where they stand at this point in the semester. All students should continue to turn their work in to their teachers. If they are struggling with the material, they should continue to reach out to their teachers. They expect good work and want each student to do their best and be successful. They will help and assist any way that they can to help your education.

Then for the next 3 weeks, we will do our **Food Service Distribution each day**, **Monday** through **Friday**, from **11:00 a.m**. to **12:00 noon** at our **SIX sites** across the District. Please remember that these meals are for **all** of our students and **ALL children** and **youth**, from **birth** to **age 18**, who live in our District. For the process to go smoothly each day, those picking up meals **must** remain in their vehicles with a mask on until a staff person approaches and asks how many meals that you need. They will then deliver them through your car window.

The sites and directions include:

1. **Denning Elementary** – Enter from 7th Street, turn south on Columbia Street, then turn left onto the gravel drive between the school and the playground on the north side of the school. Watch for signage to stop and pick up food. Follow one way signs to exit.
2. **Frankfort Intermediate / Central Junior High School** – **FIS** will serve as the one stop site where you will enter from North Cherry Street into the main parking lot and follow around to the cafeteria door like we did last spring. Watch for signage to stop and pick up food. Follow one way signs to exit.
3. **FCHS** – Enter from East Main Street, turn north Locust Street. Watch for signage near the northeast side of the building to stop and pick up food. Exit any direction at the stop sign.
4. **Pershing** (Corner of Country Club Road and Pershing Road) – A white Redbird bus will be parked at the south end of the Country Club / Pershing Road corner. Park near the bus and an attendant to your car.
5. **Aquatic Center** – A white Redbird bus will be parked in the West area of the Aquatic Center parking lot. Park near the bus and an attendant will come to your car with the delivery.
6. **Orient** – **American Legion Post 1961** Parking Lot. Look for the truck or the bus.

Until our next communication, we wish you a good evening.

Sincerely,

Matt Donkin
Superintendent of Schools
