Title I School-Parent Compact

Note: Each school receiving funds under Title I, Part A of the Elementary and Secondary Education Act (ESEA) must develop a written school-parent compact jointly with parents for all children participating in Title I, Part A activities, services, and programs. That compact is part of the school's written parent and family engagement policy developed by the school and parents under section 1116(b) of the ESEA. The compact must outline how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the State's high standards.

The Palmyra Middle School/High School, and the parents of the students participating in activities, services, and programs funded by Title I, Part A of the Elementary and Secondary Education Act (ESEA) (participating children), agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the challenging State academic standards. This school-parent compact is in effect during school year **2022-2023**.

The Palmyra Middle School/High School's Responsibilities include:

1. Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the challenging State academic standards
2. Hold parent-teacher conferences during which this compact will be discussed as it relates to the individual child's achievement.
3. Provide parents with frequent reports on their children's progress.
4. Provide parents reasonable access to staff.
5. Provide parents opportunities to volunteer and participate in their child's class, and to observe classroom activities.

We, as parents, will support our children's learning in the following ways:

- Monitoring attendance.
- Making sure homework is completed when assigned.
- Monitoring amount of television watched by my children.
- Volunteering in my child's classroom.
- Participating, as appropriate, in decisions relating to my children's education.
- Promoting positive use of my child's extracurricular time.
- Staying informed about my child's education and communicating with the school by promptly reading all notices from the school or the school district, either received by my child or by mail, and responding, as appropriate.
- Serving, to the extent possible, on policy advisory groups, such as being the Title I, Part A parent representative on the school's School Improvement Team, the Title I Policy Advisory Committee, the District wide Policy Advisory Council, the State's Committee of Practitioners, the School Support Team or other school advisory or policy groups.

We, as students, will share the responsibility to improve our academic achievement and achieve the State's high standards. Specifically, we will:

- Do homework every day and ask for help when needed.
- Read at least 30 minutes every day outside of school time.
- Give parents, or the adult who is responsible for my welfare, all notices and information received by me from my school every day.
