The Board, pursuant to the Open Public Meetings Act, is providing an opportunity for the Board to hear the public's concerns. The Board will not publicly discuss personnel matters and may choose not to respond to comments made by members of the public during this portion of the meeting. If appropriate, the Superintendent will respond to your questions and concerns at a future time. We take your concerns and questions very seriously and want to have sufficient time to allow our administration to process and research issues, if need be.

Pursuant to Board Policy, the public comment portion of our meeting shall be limited to 30 minutes. In the event that the number of speakers will not be accommodated in 30 minutes, the Board President may limit each speaker to 3 minutes, in order to give everyone the opportunity to speak.
