LETTER FROM THE PRINCIPAL

RAYMOND HOUSER

To all of our 10th Street Families:

We've had a couple of exciting months to start the 2018 New Year! Our 8th Graders traveled to Vancouver and showed off their Mock Trial skills. The Parent Boosters hosted another successful Red Hot Jazz festival, and we've had a lot of practice with late starts, and inclement weather notifications. Finally, the premier performance of our 6th Grade students at their first concert February 28th. I am so proud of their hard work, and the inspiration that Mr. Sackman provides to our students every day. I wanted to take a minute to express my gratitude to our community for their support of our levy measures, and for their flexibility on getting kids to school during the snow days.

We look forward to moving into Spring and the related activities. This newsletter will give you a list of the events currently on the calendar. A few more may be added, but we'll inform you as soon as they are confirmed.

Thank you again for all your support.

How did the Festival Concert get it's name?

During the month of March, the 8th Grade and 7th Grade go to a music festival competition. They perform the songs that our families hear at the Festival Concert. It gives the students a chance to practice in front of a live audience and improve their skills.

So there is a double purpose to the event: our 6th Graders debut and our 7th and 8th Graders get to hone their festival songs!

Pie Day!

A sweet day to
acknowledge one of
our favorite
mathematical
constants!

Please donate a pie to help
celebrate this day, 3.14.

Pies will be served at the end of lunch.

Please consider volunteering to help serve
pies for this event. If you can volunteer,
please email Karen in the office to let her
know.

Also, please drop a quick email to let us
know if you plan to donate a pie. We need to
make sure we have enough for all of the
kids.

Thank you for helping to make this day
happen!

Students of Color Career Conference is
Thursday March 29th.

If your student is interested in attending,
please send an email to our school
counselor:

Frederick_Prael@msvl.k12.wa.us

There are forms that need to be filled out
prior to the convention.

Every year, the Parent Boosters sponsor a photographer to come in and take formal pictures of our 8th graders with their instrument(s) as a farewell gift to the students.

Each student will receive an 8x10 picture at the Spring Concert. Other poses and prints are available to purchase.

March 19 - 20 are the scheduled picture day during 3rd and 4th periods. More details will be sent out closer to the date, but we wanted to give you a heads up so your student can plan to bring their concert blacks to school those days.

Thank you!

8TH GRADE FORMAL PICS

MARCH 19-20

KRISPY KREME

THE MOST DELICIOUS FUNDRAISER

March 12th is the start of our Krispy Kreme fundraiser!

We will take pre-sale orders March 12 - 21st.

We will be doing an ALL SCHOOL parking lot sale at the Grocery Outlet parking lot on March 24th! Sign up for your preferred 2 hour block! All students are requested to participate to help the sale go smoothly and quickly.

Our goal is to raise enough to lower the cost of the spring field trips! Your help is not only needed, but appreciated!

Email Jeanna Petzoldt petzoldt4@yahoo.com to volunteer for your two hour slot today!

We need both parents and students out there.

Pre-Sale prizes!

We have some fun classroom incentives/certificates for students that do an outstanding job of selling the doughnuts during the pre-sale period.

We will have one TOP SELLER prize for each grade. The minimum will be 20 pre-sold dozen and the student with the most sold per grade will have their Spring overnight field trip FULLY PAID! Reach out to friends, family, and business associates to earn your gift certificate(s) today!

Watch for more information to come out by March 12th! Together we can raise money to support our school and ensure field trips are always available to enrich our student's education!

Thank you, families!

Your support for the two levies on February's ballot means so very much to the students and staff at 10thStreet School and across the Marysville School District.

The passage of these two important measures will help us maintain current levels of instruction and support for students, and ensure we can continue efforts to serve the 'whole child' during their time in school.

Classroom teachers and instructional aides who support students with special needs and individual learning needs will be able to provide them with the assistance and encouragement necessary for success in the classroom.

Our students will also continue to have the counselors that work to support their emotional health and prevent barriers to success, such as limited access to food and shelter. Your support maintains the nurses and health room assistants that tend to our students and help keep them safe and healthy.

Your support enables us to continue to provide the same level of transportation access for students across our district. This includes ensuring homeless and transitional students can continue to attend their home school regardless of their family situation, and that all students have ample transportation to sporting events, extracurricular opportunities, and after school activities.

Your support also prevents cuts to the arts, music, athletics and the extracurricular programs that are crucial to keeping our kids excited about school. It's also a fact that students who are involved in extracurricular activities are more likely to be college and career-bound.

We are now able to fund some critical facility retrofits and replacements needed over the next few years. This includes everything from roof and gutter replacements, to new flooring. A complete list of projects can be found on the Long-Term Facilities Master Plan, which is available at this link: <http://bit.ly/MasterFacilitiesPlan>.

And your support ensures that access to technology is a basic right for students at 10thStreet and across the Marysville School District. Students and families who may have never had access to a computer will still receive the same level of access regardless of their financial situation. Our District will also be able to continue efforts around the 1:1 Chrombook Initiative and build upon investments to technology and staff professional development.

Please know that our work is not done. 10thStreet, the Marysville School District and our community have a long way to go to ensure nothing stands in the way of our students' success. Thank you for joining us in this effort and from the bottom of our hearts, thank you for saying yes for our kids.
