

STRIDE

Go to: www.stridelogin.com/login

Then click login

- Click I'm a student
- Type in your class code (Choose the grade you just finished.)
- Click Login.

If you haven't signed up already for Stride, it's not too late! Email shall@nbend.k12.or.us to receive a class code!

- Type in your lunch number.

Their lunch number is a 6 digit number that normally starts with 14 or 15. (ex. 141234) If they don't know it send us a message in Remind and we'll send it to you.

Once you log in click on a gold coin to get started. Earn coins to play games or spend in our store by answering questions.

Go Back

You use this number to log into other school programs and it normally starts with a 14 or 15. (here's an example: 141234)

Step 3

The first 50 students to complete their initial assessment will be entered to win a RAZR scooter!

Success!

Welcome!

Answer questions correctly to earn coins in Stride. The more coins you earn, the more fun you can have!

Go to the gold coin to get started.

Let's Go!

Parents: Please don't help your child during the initial assessment. This assessment determines academic needs and placement in Stride. If you help them during the assessment it may be too difficult for your child. Stride is adaptive in that it will grow with your child as they learn new skills and strengthen current ones.
