

**PARKING**

Parking is a privilege at Portsmouth High School. Parking privileges may be revoked for disciplinary reasons.

The procedures for students being able to park at Portsmouth High School will be developed by the High School Administration and approved by the School Superintendent. These procedures shall be included in the Student Handbook.

Liability for the vehicle remains with the student/parent; the Portsmouth School Department assumes no responsibility for vehicles on its property. Unauthorized vehicles parking on school property will be removed at the owner's expense.
