RE: Revenue/Expenditure Reports for April 2020

DATE: May 14, 2020

---

**OVERVIEW:** The Revenue/ Expenditure reports for the year-to-date period ended April 30, 2020 are attached for your review. The COVID-19 related school closure that began on March 16<sup>th</sup> has introduced quite a bit of uncertainty regarding the district's finances. While distance learning continues, many activities have been halted and many district obligations have been reduced or eliminated. It will take time to work through these issues so please keep in mind that any projections contained in this report are preliminary and subject to change.

**REVENUE:** Year to date revenues through April 30, 2020 were \$32,519,169, representing an increase of \$3,884,696 from March. We expect to see a shortfall in Medicaid Reimbursements for the remainder of the year as reimbursable student services expenditures are reduced or eliminated. Little Compton Tuitions will be below budget due to a lower number of enrolled students but that revenue will be more than offset by a higher than budgeted number of CTE students from other districts. In total, revenues are projected to be below budget by approximately \$35,000 to \$50,000.

**EXPENDITURES:** Year to date expenditures through April 30, 2020 were \$29,777,370, representing an increase of \$2,801,540 from March. An additional \$5,946,454 was encumbered for the year, primarily related to payroll costs and out of district tuitions. A preliminary analysis has been preformed and it appears that overall expenditures will likely be reduced by approximately \$800,000 to \$1,000,000. Expenditures that will be reduced include Bus Transportation, Spring Athletic Stipends and Transportation costs, Occupational and Physical Therapy, Contracted Nursing Services for students and substitute teacher costs. These estimates are likely to change as we better understand the school closure impact.

**SUMMARY:** These are challenging times and there are many uncertainties. We will continue to update our projections and inform you of any changes in the district's finances.
