RE: Revenue/Expenditure Reports for March 2019

DATE: April 15, 2019

OVERVIEW: The Revenue/Expenditure reports for the year-to-date period ended March 31, 2019 are attached for your review.

REVENUE: Revenues through March were \$28,600,874 representing an increase of \$3,179,401 from February. This primarily consists of the Town Appropriation of \$2,737,186, State Aid of \$328,904, Group Home Aid of \$41,283, Tuition from Other Districts (CTE student) of \$38,809 and Medicaid Reimbursements of \$29,103.

For the year, total Revenues are trending about \$240,000 favorable to budget due to increased Tuition and Federal Impact Aid payments and a supplemental State appropriation of Group Home Aid related to the opening of six additional group home beds at Boys Town.

EXPENDITURES: Net expenditures through March were \$26,729,048, representing an increase of \$4,099,574 from February. An additional \$7,830,497 was encumbered for the year, primarily related to payroll costs and special education out of district tuitions and related services costs.

As of March 31, 2019, certain accounts are projected to be over budget for the year. Account 55630 (Tuition to Private Sources) is over budget by \$82,563 as the number of outplaced students is higher than projected. Related Statewide Transportation costs (included in account 55111) are projected to end the year over budget by approximately \$120,000. Other accounts, primarily salaries and benefits, are trending below budget and will offset these budget overages.

SUMMARY: For the full year, I am projecting expenditures to be on budget in total and that the district will realize a favorable revenue variance as described above.
