RE: Revenue/Expenditure Reports for October 2018

DATE: November 9, 2018

OVERVIEW: The Revenue/ Expenditure reports for the year-to-date period ended October 31, 2018 are attached for your review.

REVENUE: Revenues through September were \$12,058,423 representing an increase of \$3,180,586 from September. This primarily consists of the Town Appropriation of \$2,737,186, State Aid of \$328,904, Group Home Aid of \$41,283, and Impact Aid of \$66,649. An additional \$309,906 in tuitions has been invoiced to Little Compton for the first quarter but payment was received in early November.

EXPENDITURES: Net expenditures through October were \$10,055,449 representing an increase of \$3,098,614 from September. An additional \$18,228,727 was encumbered for the year, primarily related to payroll costs and special education out of district tuitions and related services costs. As of October 31, 2018, certain accounts are trending over budget. Account 53301 (Professional Development and Training) is over budget by \$15,000 due to additional costs related to contracted Behavior Specialist services. Account 53403 (Health Service Providers for Students) is over budget by \$4,000 due to unanticipated costs related to summer weight lifting supervision. Also, accounts 55630 (Tuition to Private Sources) and 55640 (Tuition to Education Service Agencies) are over budget by a combined \$135,954 as the number of outplaced students is higher than projected.

SUMMARY: At this point in the school year, Revenues look to be trending favorable to budget as CTE Academy and Little Compton Tuitions are coming in higher than expected (~ \$80,000 on a combined basis). Certain Expenditures are trending unfavorable to budget (as discussed above) but we are looking to see if potential favorability in Salaries and Benefits could offset some or all of this over spend. We will continue to monitor all budget lines as the year progresses, especially as we enter into the winter months with the variability that weather introduces.
