RE: Revenue/Expenditure Reports for July 2018 and August 2018

DATE: September 17, 2018

---

OVERVIEW: The Revenue/ Expenditure reports for the year-to-date periods ended July 31, 2018 and August 31, 2018 are attached for your review. The following discussion will focus on the August financials as they are the most current and relevant.

REVENUE: Revenues through August 31, 2018 were \$5,585,301, representing 14.40% of the full year's budgeted revenue. This primarily consists of the Town Appropriation of \$5,474,373, Impact Aid of \$32,622, Medicaid Reimbursements of \$63,987, and Tuitions from Individuals (Pre-K and non-resident) of \$13,920.

EXPENDITURES: Net expenditures through August were \$3,979,858 representing 10.3% of the full year's budget. An additional \$20,893,612 was encumbered for the year, primarily related to payroll costs. Workers Comp Insurance (52710) is over budget by \$12,916 and Property and Liability Insurance (55201) is over budget for the year by \$11,170. Both overages will need to be covered by savings in other budget lines.

SUMMARY: At this early point in the school year both Revenues and Expenditures are projected to be on budget. With the start of school, actual expenditures (teacher payroll, out of district tuitions, transportation, etc.) should start to ramp up fairly quickly. We will continue to monitor all budget lines as the year progresses, especially as we enter into the winter months with the variability that weather introduces.
