### Rock Hill Local School District Safe Return to In-Person Instruction and Continuity of Services Plan

#### **Plan Elements**

	Cloth/fabric that sufficiently covers the nose, mouth, and chin to effectively protect the
Universal and correct wearing of masks	wearer and others. See policy 8450.01
	Modify practices to increase space between students, eliminate shared materials, stagger
Physical distancing	passing and lunches, etc. as required by health officials.
	Maintain healthy practices such as provide hand sanitizer and/or handwashing stations in
	each classroom, wash hands before and after lunches, place mobile hand sanitizing stands
	around schools, instruct students of proper hygiene in classrooms, restrooms and halls and
Handwashing and respiratory etiquette	reinforce throughout the year, and allow the use of face masks
	Maintain haalthy practices such as Capiting anfatasing hatusand, which are the duly an ule
	Maintain healthy practices such as Sanitize cafeterias between lunches, schedule regular cleaning for classrooms, restrooms, and other areas, and disinfect buses after AM and PM
	routes (twice per day). Update and replace flooring to dust and air contamination.
Cleaning and maintaining healthy facilities, including	Conduct preventative maintenance (such as filter replacement, cleaning coils, cleaning
improving ventilation	ductwork etc.) on the HVAC system at other facilities
Contact tracing in combination with isolation and	Follow guidelines from the Lawrence County Health Department related to contact tracing
quarantine, in collaboration with the state, local,	and quarantines. Provide isolation rooms at each facility.
Diagnostic and screening testing	Provide COVID-19 testing at each school site for staff.
	Heated two stoff was instincted with a decimal day of any Court Daint Day of Court
Efforts to provide vaccinations to educators, other staff	Hosted two staff vaccination clinics during the school day at our South Point Board Office.
and students, if eligible	County wide clinics have been conducted for student/family/community vaccination clinics. We will continue to support staff and students who wish to be vaccinated.
gina stadents, il eligible	chinics. We will continue to support start and students will wish to be vaccinated.
Appropriate accommodations for children with	IEP teams will regularly meet to determine and provide accommodations for students with
disabilities with respect to the health and safety policies	disabilities and other health impairments.

#### **Continuity of Service**

Students' academic needs	Provided 1:1 student devices, installed hotspots at each school site, training and implementing Google Suite, identifying and addressing student academic needs (see Extended Learning Plan), and developed remote and blended learning plan in the event that remote learning is needed in the future (see Remote Learning Plan and Blended Learning Plan).	
Students' and staff social, emotional, mental health and other needs, which may include student health and food services	Developing PBIS plan, reviewing wellness policy, implementing meal delivery in the event that remote learning is needed in the future, identifying and addressing social, emotional, and mental health needs (see Extended Learning Plan), and partnering with other agencies.	

Periodic Review and Revision of Plan (with ongoing revisions as needed)

District Name:	Rock Hill Local School District
District Address:	2325A County Road 26
District Contact:	David Hopper, Superintendent
District IRN:	047944

On February 9, 2021, Governor DeWine asked schools and districts to work with their communities and educational stakeholders to help students continue to advance academically and to make up for any learning that may have been lost or delayed due to the coronavirus pandemic and related disruptions.

"This once-in-a-lifetime pandemic has impacted all of us, so it should be no surprise that it has impacted our children. But we should not panic, nor should we be surprised by the results of assessments," said Governor DeWine. "Instead, we should do what Ohioans have always done when facing a challenge – stay calm, roll up our sleeves, and work to solve the problem."

Governor DeWine has requested that schools and districts design plans that address learning recovery and extended learning opportunities to meet the needs of students that could include, but are not limited to, extending the current school year, beginning the new year early, extending the school day or instituting summer programs, tutoring, remote options, and other remedial or supplemental activities.

Plans should address, but are not limited to, the following key components:

- Impacted Students: How will schools and districts identify which students have been most impacted by the pandemic in terms of their learning progress (with a focus on the most vulnerable student populations)?
- Needs Assessment: How will schools and districts identify the needs of those students?
- Resources and Budget: What resources are available to address those needs? Generally, what is the budget for the plan?
- Approaches: What approaches can best be deployed to address those needs? (This may include approaches such as ending the school year later than scheduled, beginning the new year early, extending the school day, summer programs, tutoring, and remote options.)
- Partnerships: Which local and regional partners (such as Educational Service Centers, Information Technology Centers, libraries, museums, after-school programs, or civic organizations) can schools and districts engage in supporting student needs?
- Alignment: How can this plan reinforce and align to other district or school plans? This may include but is not limited to Student Wellness and Success Fund plans, remote learning plans, improvement plans, CCIP-related plans, graduation plans.

Each district or school should consider its unique needs and issues and prepare its plan in a way that responds appropriately and leverages the assets of its unique partners including their Educational Service Center and other regional and community-based partners. Each district or school should consider a wide range of representation and voices from district and community stakeholders in planning for learning recovery and extended learning opportunities.

The governor asked schools and districts to provide their plans to the public and General Assembly no later than April 1.

This template has been designed to assist districts in meeting and exceeding this requirement and in supporting their long-term instructional planning efforts. Please refer to the <u>Planning Support Document</u> at the end of this template for guiding questions and resources.

Questions, comments and concerns can be emailed to: ExtendedLearning@education.ohio.gov

ODE's Planning for Extended Learning FAQ's

#### **Identifying Academic Needs** How will schools/districts identify which students have been most impacted by the pandemic in **Impacted** terms of their learning progress (with a focus on the most vulnerable student populations including Students: but not limited to disengaged students)? Considerations: **Budget** Resources (Existing and Needed) Partnerships (Local/Regional, ESC, ITC, libraries, museums, after-school programs, civic organizations, Alignment (Other District/School Plans, Wellness and Success plans, remote learning plans, improvement plans, CCIP-related plans, graduation plans, student success plans, etc.) Alignment with current OIP five-step processes (1-Identify Critical Needs, 2-Research and Select Evidence-Based Strategies, 3-Plan for Implementation, 4-Implement and Monitor, 5-Examine, Reflect, Adjust) Core Questions to Consider: What do students need to know? How do we know if they've learned it? How do we intervene for those students who have not learned it? How do extend other opportunities for those who have learned it? Spring 2021 High School-Students who are failing Core subjects or are currently credit deficient Middle School-Students who are failing ELA or Math courses IXL preassessment data Elementary School-Students who are failing ELA or Math courses Students who are below grade level on STAR Reading or Math TBT recommendations related to IEP or RIMP goals.

Summer 2021	High School-  • Students who are failing Core subjects or are currently credit deficient  Middle School-  • Students who are failing ELA or Math courses  • IXL preassessment data  Elementary School-  • Students who are failing ELA or Math courses  • Students who are below grade level on STAR Reading or Math  • TBT recommendations related to IEP or RIMP goals.	2.5. 2.4.
2021 - 2022	High School-  • Students who are failing Core subjects or are currently credit deficient  Middle School-  • Students who are failing ELA or Math courses  • IXL preassessment data  Elementary School-  • Students who are failing ELA or Math courses  • Students who are below grade level on STAR Reading or Math  • TBT recommendations related to IEP or RIMP goals.	
2022 - 2023	High School-  • Students who are failing Core subjects or are currently credit deficient  Middle School-  • Students who are failing ELA or Math courses  • IXL preassessment data  Elementary School-  • Students who are failing ELA or Math courses  • Students who are below grade level on STAR Reading or Math  • TBT recommendations related to IEP or RIMP goals.	

#### Approaches to Address Academic Gap Filling What approaches will schools/districts use to fill learning needs identified above? Approaches & What steps will be taken to remove/overcome barriers that may be associated with the "Gap Filling Removing/ Approaches" (transportation to tutoring, no data to track/identify specific student needs, funding Overcoming concerns to support approaches, etc.)? **Barriers** Considerations: Resources (Existing and Needed) Partnerships (Local/Regional, ESC, ITC, libraries, museums, after-school programs, civic organizations, Alignment (Olher District/School Plans, Wellness and Success plans, remote learning plans, improvement plans, CCIP-related plans, graduation plans, student success plans, etc.) Alignment with current OIP five-step processes (1-Identify Critical Needs, 2-Research and Select Evidence-Based Strategies, 3-Plan for Implementation, 4-Implement and Monitor, 5-Examine, Reflect, Adjust) Core Questions to Consider:

- What do students need to know?
- How do we know if they've learned it? How do we intervene for those students who have not learned it?

#### How do extend other opportunities for those who have learned it? Spring 2021 Elementary/MS/HS Target interventions based on determined need Use APEX for credit recovery at the HS using an in school and afterschool model. Use IXL and Google classroom instruction/assessment at Elementary and Middle School levels Elementary/MS/HS Summer 2021

- Summer School programs at each building targeting the Identified students and providing
  - Transportation
  - Breakfast and Lunch
  - Academic instruction and tutoring
  - Mental/Physical health supports
- Target interventions based on determined need
- Use APEX for credit recovery at the HS
- Use IXL and Google classroom instruction/assessment at Elementary and Middle School levels

2021 - 2022	<ul> <li>Elementary/MS/HS</li> <li>Establish a District-wide after school program to address identified academic and social/emotional needs of students in partnership with the Lawrence County ESC.</li> <li>Maintain the services established services that have been provided in Spring of 2021</li> <li>Offer more targeted intervention during the School day for K-3, in order to help offset reading and math deficits that may have occurred</li> <li>Continue to review and analyze data and utilize strategies and tools to support student learning</li> <li>Utilize our counseling staff and above-mentioned partnerships to help identify and support students that are struggling with mental health</li> </ul>	
2022 - 2023	<ul> <li>Elementary/MS/HS</li> <li>Maintain a District-wide after school program to address identified academic and social/emotional needs of students in partnership with the Lawrence County ESC.</li> <li>Maintain or adapt the services established services that have been provided in Spring of 2021 and 2021-2022 school year based on data and feedback from stakeholders.</li> <li>Offer more targeted intervention during the School day for K-3, in order to help offset reading and math deficits that may have occurred</li> <li>Continue to review and analyze data and utilize strategies and tools to support student learning</li> <li>Utilize our counseling staff and above-mentioned partnerships to help identify and support students that are struggling with mental health</li> </ul>	

Approaches to Identify Social & Emotional Needs		
Impacted Students:	How will schools/districts identify which students have been most impacted by the pandemic in terms of their social/emotional needs (with a focus on the most vulnerable student populations including but not limited to disengaged students)?	
- <b>Partnerships</b> (l etc.) - <b>Alignment</b> (Oth	xisting and Needed) Local/Regional, ESC, ITC, libraries, museums, after-school programs, civic organizations, per District/School Plans, Wellness and Success plans, remote learning plans, ans, OIP, CCIP-related plans, graduation plans, student success plans, etc.)	Budget
Spring 2021	Attendance and behavior data     PBIS     Teacher/staff/parent observation     Counselor input	
Summer 2021	Attendance and behavior data     PBIS     Teacher/staff/parent observation     Counselor input     Other data as it becomes available	
2021 - 2022	Elementary/MS/HS  Attendance and behavior data PBIS Utilize IMPACT pre/post data OHYES! Survey Teacher/staff/parent observation Counselor input Other data as it becomes available	

2022 - 2023	Elementary/MS/HS	
	Attendance and behavior data     PBIS     Utilize IMPACT pre/post data	
	OHYES! Survey     Teacher/staff/parent observation     Counselor input     Other data as it becomes available	
	Other data as it becomes available	

### **Approaches to Address Social and Emotional Need**

# Approaches & Removing/ Overcoming Barriers

What approaches will schools/districts use to address social and emotional needs identified above? What steps will be taken to remove/overcome barriers that may be associated with the social/emotional needs" (transportation to support services, no data to track/identify specific student needs, funding concerns to support approaches, etc.)?

- Partnerships (L etc.) - Alignment (Othe	isting and Needed) ocal/Regional, ESC, ITC, libraries, museums, after-school programs, civic organizations, er District/School Plans, Wellness and Success plans, remote learning plans, ens, CCIP-related plans, graduation plans, student success plans, etc.)	Budget
Spring 2021	Use strategies/incentives to promote attendance for both remote and in person     Utilize partnerships with IMPACT, NECCO, and Rock Hill Family Medical Center mental health counselors to help support struggling learners.	
Summer 2021	Summer School programs at each building targeting the Identified students and providing  Transportation Breakfast and Lunch Academic instruction and tutoring Mental/Physical health supports  Use strategies/incentives to promote attendance for both remote and in person  Utilize partnerships with IMPACT, NECCO, and Rock Hill Family Medical Center mental health counselors to help support struggling learners.	

2021-2022	<ul> <li>Professional Development to help Staff become more aware and Trauma-informed as to help students who are struggling or in crisis.</li> <li>Use strategies/incentives to promote attendance for both remote and in person</li> <li>Utilize partnerships with IMPACT, NECCO, and Rock Hill Family Medical Center mental health counselors to help support struggling learners.</li> </ul>	
2022-2023	<ul> <li>Continue to provide Professional Development to help Staff become more aware and Trauma-informed as to help students who are struggling or in crisis.</li> <li>Use strategies/incentives to promote attendance for both remote and in person</li> <li>Utilize partnerships with IMPACT, NECCO, and Rock Hill Family Medical Center mental health counselors to help support struggling learners.</li> </ul>	

**PLANNING SUPPORT DOCUMENT** 

As stated by ODE, this is not a one-size-fits-all exercise. Each district or school should consider its unique needs and issues and prepare its plan in a way that responds appropriately and leverages the assets of its unique partners. The template above has been designed to be as adaptable as possible given the wide range of district experiences and needs. The pages below in the Planning Support Document are designed to assist districts as they think through the nuances that may be significant to their respective district. Educational Service Centers are here to support. Some schools and districts may choose to have similar plans to facilitate effective implementation. ESCs may be able to provide coordination for such collaborative approaches. The following planning support document is provided to assist teams in thinking through the planning process. Additionally, rather than an exhaustive list of resources that quickly becomes overwhelming and outdated, a few key elements have been provided to assist in planning. Districts may also want to consult ODE's Reset and Restart website and planning guide. Additional planning resources are also available at <a href="http://reframingeducation.org/">http://reframingeducation.org/</a>. This decision-making framework was developed by Ohio's network of ESCs to assist districts in having authentic conversations about instructional expectations and making plans to reframe education moving forward; we encourage districts to reach out to their ESCs for additional support as needed.

#### **ACADEMIC PLANNING**

### How will instructional needs be determined?

#### Possible/Optional item(s) to consider:

- Performance on tests (e.g., district assessments, statewide tests, ACTs, etc.); (Districts will
  not have statewide achievement data until after the end of the school year and may need to
  identify assessment tools to identify gaps.)
- How will districts determine impacted/vulnerable populations?
- How will districts/schools combat barriers for disengaged students?
- What opportunities were missed due to the inability to access programming? Can any of these opportunities be reinstated in the summer or next school year? (Districts are encouraged to consider this question through an equity lens for student populations – Students with Disabilities, English Language Learners, Gifted Students, All Learners, etc.)
- Access to key opportunities (e.g., advanced mathematics, physics, higher education, interventions, etc.) may have been lost due to the pandemic.
- Attainment (e.g., high school diploma, college degree, employment)
- What essential elements of determining instructional needs are already in place?
- District MTSS Process and Universal Screeners
- Use of/Alignment with the OIP/DLT/BLT/TBT process to determine; What do students need
  to know? How do we know if they've learned it? How do we intervene for those students
  who have not learned it? How do we extend other opportunities for those students who have
  learned it?
- Gap Analysis for ELA, Math, Science, and Social Studies
- Prioritize Literacy and Math
- Prioritized Standards
- Supports for IEPs/Compensatory Services, Written Education Plan (WEP) adjustments, etc.
- Rising Kindergarteners (These students have spent a significant portion of their life in a pandemic environment. What needs might they have as they enter Kindergarten in Fall 2021?)

#### How will academic gaps be filled?

#### Possible/Optional item(s) to consider:

- Existing processes and supports
- Partnerships (ESC, libraries, museums, after-school programs, civic organizations, preschool providers, etc.)
- MTSS processes
- Effective district-wide/school-wide leadership teams focusing on achievement gaps
- Data-based decision-making How will achievement gaps be addressed in BLTs and TBTs?
- Will measurable objectives be required? Or will these be supplemental offerings that the parent/guardian may choose to have their student participate in and benefit from?
- What happens with students who do become proficient?
- Triage plans for Seniors/Credit Recovery Options for HS
- Supports for IEPs/Compensatory Services, Written Education Plan (WEP) adjustments, etc.
- Student Success Plans
- Personalized learning opportunities
- Clear instructional plans have been created with prioritized standards
- Clear instructional plans have been communicated with staff, parents, and other stakeholders

### Filling Academic Gaps

Determining

Academic

Needs

1900	
	<ul> <li>Cross grade-level communication</li> <li>Coordination with relevant partners to support Literacy, Math, and SEL - ESCs, tutors, etc.</li> <li>Who, When, HowCohorts, Family PODs, Layout, and Delivery</li> <li>How do we ensure at-risk students are taking advantage of the opportunities?</li> <li>How can disengaged students be reengaged?</li> <li>How can ESC Family and Community Partnership Liaisons support this work with vulnerable student populations including but not limited to disengaged students?</li> <li>What steps will be taken to remove/overcome barriers that may be associated with the "Gap Filling Approaches" (transportation to tutoring, no data to track/identify specific student needs, funding concerns to support approaches, etc.)?</li> </ul>
Determine Competency	What method(s) will be used to determine competency for pandemic learning?  Possible/Optional item(s) to consider:  Develop and communicate a plan for determining competency (grading and assessments, grade-level advancement)  Develop and communicate a plan for promoting students vs. retention  Consider equity of practices, long-term consequences, social/emotional factors
