

## Legends Rock 'n Shine!

On April 23 Mr. & Mrs. Bonanza's Rock 'n Roll Band performed for an audience that could barely sit still! It was clear how hard the students had rehearsed over the past months because they sang flawlessly—loud and clear, and with passion. The singers ran the entire show introducing each song and making sure to recognize the professional band that backed them up the whole time. Leicester Central School is grateful that Mrs. Bonanza and her husband volunteer an incredible amount of time to share their passion for music with our students in this fun way that really makes our school shine!

## Legie, how does your garden grow?

Leicester *Alive* is blooming again with lots of outdoor activities. Mrs. Hayes is leading the charge to get our raised beds ready with 20 students participating in *Ready, Set, Grow!* Donations have been plentiful allowing students to plant vegetables and herbs that we hope to harvest for our own kitchen. Ms. P leads *Lights, Camera, Action* on an alternate day for 20 students. Children are working on their movie-making skills. Recently they worked on using the effects of slowing down and speeding up time in movies. Turns out the result looks pretty funny! Thanks to FOLCS who donated two new digital cameras to the school. The right tools always make a difference when one is learning a new skill.

Chase is the Vermont State Champion for his weight class in wrestling.

*congratulations, Chase!*

## News Flash! This just in!

This is Baker LaRock reporting live at Shelburne Farms. Leicester Central School went in the woods. They studied soil. Baker found a cool rock. Then Leicester looked for salamanders. Kayleigh found a worm that was 5 inches long. Again, Baker found a beetle. Then Leicester went in for lunch. Then they went back out for a soil sample in the garden. Leicester went back to the bus. On the bus Leicester took a different route and that was the news report of Leicester's field trip. Thank you for watching.

Baker reports from the field.

It is teacher appreciation week from May 6-10! Be sure to thank your teachers for all they do! They inspire us to be brave, compassionate, creative and responsible every day!

## Mark Your Calendars

- 5/7 Brewski the Therapy Dog, 1/2 Paramount  
Leicester *Alive*, Ready, Set, Grow!, Harvest  
FOLCS Meeting 6:30
- 5/8 School Board Meeting 6:30
- 5/9 Leicester *Alive*, Lights, Camera, Action!
- 5/10 PK/K Mothers' Day Celebration & early dismissal  
Harvest
