2021-2022

In order for the Lexington District Three Transportation Dept. to provide a safe and orderly transportation system, all students needing transportation are required to register for bus service. Students not registered with transportation will not be assigned to a bus. Parents/guardians are encouraged to identify one (1) pick up and one (1) drop off location for the school year. The bus stop may or may not be located at the home address. However, students will be assigned within the prescribed walking distance. It may take up to five (5) school days for a bus to be assigned. Any changes must be made in writing at the student's school. Thank you in advance for your support and cooperation.
