

From the office of the Turkey Valley School Nurse

Parents and Guardians,

Effective for the 2023.24 school year, the Committee on Sports Medicine of the Iowa Medical Society has updated the Pre-Participation Physical Evaluation form. The new form is 4 pages long and is required yearly for athletic participation.

Physical and Concussion forms are required prior to any student attending practice or events. It is pertinent that the forms are filled out in their entirety and that signatures are obtained. Without these, your child is unable to participate.

They note:

“Page 4 of this form is ALWAYS turned in to the school for participation/clearance and emergency contact information. This page can be used by any and all personnel of the school.” Page 4 will be stored in the nurse’s office and copies may be given to appropriate coaches.

They also state:

“However, due to HIPAA/FERPA regulations, a licensed health care professional and confidential storage of the sports physical form pages 1 through 3 is necessary, if those pages are to be kept at the school and used for medical purposes. Otherwise, pages 1 through 3 can be kept with the provider who performs the Preparticipation Examination and a waiver should be signed for release of information by the student athlete and parent if this is required by the school for participation of the student athlete.”

Submitting pages 1-3 is optional. Please note, that these would be stored in the nurse’s office and used for her information only. Medical conditions (i.e: asthma, diabetes, allergies, etc...) are shared with coaches in case something would happen during practice or an event.

Pages 1-3 are appreciated if you are willing to share as they help guide the care we provide for your child while at school.

If you are willing to share pages 1-3, please sign here:

I hereby give my consent for Turkey Valley Community School to receive the attached physical form:

Student Name: _____

Parent Signature: _____

Thank you,
Nurse Natalie

IOWA ATHLETIC PRE-PARTICIPATION PHYSICAL EXAMINATION

Please complete and sign this form (with your parents if younger than 18) before your appointment.

Name: _____ Date of Birth: _____
 Date of Examination: _____ Sport(s): _____
 Home Address (Street, City, Zip): _____ School District: _____
 Parent's/Guardian's Name: _____ Phone #: _____
 Physician: _____ Phone #: _____

History Form:

List past and current medical conditions.

Have you ever had a surgery? If "yes", list all past surgical procedures.

Medicines and Supplements: List all current prescriptions, over-the-counter medicines and supplements (herbal and nutritional).

Do you have any allergies? If yes, please list all your allergies (to medicines, pollen, food, stinging insects, etc.)

PHQ-4: Over the last 2 weeks, how often have you been bothered by any of the following problems? (Circle Response)

	Not at all	Several Days	Over half the days	Nearly Everyday
Feeling nervous, anxious, or on edge	0	1	2	3
Not being able to stop or control worrying	0	1	2	3
Little interest or pleasure in doing things	0	1	2	3
Feeling down, depressed or hopeless	0	1	2	3

(A sum of ≥ 3 is considered positive on either subscale [Questions 1 and 2, or Questions 3 and 4] for screening purposes)

SCORE: _____

In the section below, if you answer "yes" to any questions, please explain further in the space provided at the end of this form. Circle any questions you don't know the answer to.

General Questions:

Y N

- Do you have any concerns that you would like to discuss with your provider?
- Has a provider ever denied or restricted your participation in sport for any reason?
- Do you have any ongoing medical issues or recent illnesses?

Heart Health Questions:

Y N

- Have you ever passed out or nearly passed out during or after exercise?
- Have you ever had discomfort, pain, tightness or pressure in your chest during exercise?
- Does your heart ever race, flutter in your chest or skip beats (irregular beats) during exercise?
- Has a doctor ever told you that you have any heart problems?
- Has a doctor ever requested a test for your heart? For example, electrocardiography (ECG) or echocardiography?
- Do you get lightheaded or feel shorter of breath than your friends during exercise?
- Do you have high blood pressure or high cholesterol?

Questions about your Family:

Y N

- Has any family member or relative died of heart problems or had an unexpected or unexplained sudden death before age 35 years (including drowning or unexplained car crash)?
- Does anyone in your family have a genetic heart problem such as hypertrophic cardiomyopathy (HCM), Marfan syndrome, arrhythmogenic right ventricular cardiomyopathy (ARVC), long QT syndrome (LQTS), short QT syndrome (SQTS), Brugada syndrome or catecholaminergic polymorphic ventricular tachycardia (CPVT)?
- Has anyone in your family had a pacemaker or an implanted defibrillator before age 35?
- Does anyone in your family have asthma?

Bone and Joint Questions:

Y N

- Have you ever had a stress fracture or an injury to a bone, muscle, ligament, joint, or tendon that caused you to miss a practice or game?
- Have you had an X-ray, MRI, CT scan or physical therapy for any reason?
- Do you have a bone, muscle, ligament or joint injury that bothers you?
- Do you currently, or have you in the past worn orthotics, braces or protective equipment for any reason?

Medical Question:

Y N

- Do you cough, wheeze or have difficulty breathing during or after exercise?
- Are you missing a kidney, an eye, a testicle (males), your spleen, or any other organ?
- Do you have groin or testicle pain or a painful bulge or hernia in the groin area?
- Do you have any recurring skin rashes or rashes that come and go, including herpes or methicillin-resistant Staphylococcus aureus (MRSA)?
- Have you had a concussion? Or a head injury that caused confusion, a prolonged headache, or memory problems?
- Have you ever had a seizure?
- Do you get frequent headaches?
- Have you ever had numbness, tingling, weakness in your arms or legs, or been unable to move your arms or legs after being hit or falling?
- Have you ever become ill when exercising in the heat?
- Do you have sickle cell trait or disease? Or anyone in your family?
- Have you ever had or do you have any problems with your eyes or vision?
- Do you worry about your weight?
- Are you trying to or has anyone recommended that you gain or lose weight?
- Are you on a special diet or do you avoid certain types of foods or food groups?
- Have you ever had an eating disorder?

FEMALES only:

Y N

- Have you ever had a menstrual period?
- How old were you when you had your first menstrual period?
- When was your most recent menstrual period?
- How many periods have you had in the last 12 months?

EXPLAIN "Yes" answers here:

I hereby state that, to the best of my knowledge, my answers to the questions on this form are complete and correct.

Signature of Athlete: _____

Signature of Parent or Guardian: _____

Date: _____

Physical Examination *(To be filled out by medical provider)*

Consider additional questions as below:

Y N

- Do you feel stressed out or under a lot of pressure?
- Do you ever feel sad, hopeless, depressed or anxious?
- Do you feel safe at your home or residence?
- Have you ever tried cigarettes, e-cigarettes, chewing tobacco, snuff or dip?
- Do you drink alcohol or use any other drugs?
- Have you taken prescriptions medications that were not yours or outside of their intended use?
- Have you ever taken anabolic steroids or used any other performance-enhancing supplement?
- Have you ever taken any supplements to help you gain or lose weight or improve your performance?
- Do you wear a seat belt and a helmet?
- Do you use condoms if you are sexually active?

- Consider electrocardiography (ECG), echocardiography, referral to a cardiologist for abnormal cardiac history or examination findings or a combination of those.

Medical Eligibility Form

Student Athlete Name: _____ Date of Birth: _____ Date of Examination: _____

I acknowledge and give consent for a copy of this entire form to be kept in the student's school record. I agree that should student's health change in any way that would alter this form that I will inform the school as soon as possible.

Signature of Parent or Guardian: _____ Date: _____

Shared Emergency Information *(To be filled out by athlete/athlete's caregiver)*

Allergies:

Medications:

Other Information:

Emergency Contacts:

<u>Name</u>	<u>Relationship</u>	<u>Contact Information</u>
_____	_____	_____
_____	_____	_____

Participation Eligibility *(To be filled out by medical provider)*

- Medically Eligible for sports without restriction.
- Medically Eligible for all sports without restriction with recommendations for further evaluation or treatment of:

- Medically eligible for certain sports:

- Not medically eligible pending further evaluation

- Not medically eligible for any sports

Recommendations:

I have examined the student named on this form and completed the preparticipation physical evaluation. The athlete does not have apparent clinical contraindications to practice and can participate in the sport(s) as outlined in this form. A copy of the physical examination findings is on record in my office and can be made available to the school at the request of the parents. If conditions arise after the athlete has been cleared for participation, the provider may rescind the medical eligibility until the problem is resolved and the potential consequences are completely explained to the athlete (and parents or guardians).

Name of health care professional (print): _____ Date: _____

Address: _____ Phone: _____

Signature of health care professional:

**Please see back side and
complete concussion form.**

HEADS UP: Concussion in High School Sports

Please note this important information based on Iowa Code Section 280.13C, Brain Injury Policies:

- (1) A student participating in extracurricular interscholastic activities, in grades seven through twelve, **must be immediately removed from participation** if the coach, contest official, licensed healthcare provider or emergency medical care provide believe the student has a concussion based on observed signs, symptoms, or behaviors.
- (2) Once removed from participation for a suspected concussion, **the student cannot return to participation until written medical clearance has been provided** by a licensed health care provider.
- (3) A student cannot return to participation until s/he is free from concussion symptoms at home and at school.

(4) Definitions:

"Contest official" means a referee, umpire, judge, or other official in an athletic contest who is registered with the Iowa high school athletic association or the Iowa girls high school athletic union.

"Licensed health care provider" means a physician, physician assistant, chiropractor, advanced registered nurse practitioner, nurse, physical therapist, or athletic trainer licensed by a board.

"Extracurricular interscholastic activity" means any extracurricular interscholastic activity means any dance or cheerleading activity or extracurricular interscholastic activity, contest, or practice governed by the Iowa high school athletic association or the Iowa girls high school athletic union that is a contact or limited contact activity as identified by the American academy of pediatrics.

"Medical clearance" means written clearance from a licensed health care provider releasing the student following a concussion or other brain injury to return to or commence participation in any extracurricular interscholastic activity.

What is a concussion?

Concussions are a type of brain injury that disrupt the way the brain normally works. Concussions can occur in any sport or recreational activity and can result from a fall or from players colliding with each other, the ground, or obstacles. Concussions can occur with or without loss of consciousness, but most concussions occur without loss of consciousness.

What parents/guardians should do if they think their child has a concussion?

1. Teach your child that it's not smart to play with a concussion.
2. **OBEY THE LAW.**
 - a. Seek medical attention right away.
 - b. Keep your child out of participation until s/he is cleared to return by a licensed healthcare provider.
3. Tell all of your child's coaches, teachers, and school nurse about ANY concussion.

What are the signs and symptoms of concussion?

Signs and symptoms of concussion can show up right after the injury or may not be noticed until days after the injury. If an athlete reports one or more symptoms of concussion after a bump, blow, or jolt to the head or body, s/he should be removed from play immediately. The athlete should only return to play with permission from a health care provider and after s/he is symptom free at home and at school.

Signs Observed by Parents or Coaches:

- Appears dazed or stunned
- Is confused about assignment or position
- Forgets an instruction
- Is unsure of game, score, or opponent
- Moves clumsily
- Answers questions slowly
- Loses consciousness (even briefly)
- Shows mood, behavior, or personality changes
- Can't recall events prior to hit or fall
- Can't recall events after hit or fall

Symptoms Reported by Student-Athlete:

- Headache or "pressure" in head
- Nausea or vomiting
- Balance problems or dizziness
- Double or blurry vision
- Sensitivity to light
- Sensitivity to noise
- Feeling sluggish, hazy, foggy, or groggy
- Concentration or memory problems
- Confusion
- Just not "feeling right" or is "feeling down"

STUDENTS, If you think you have a concussion:

- **Tell your coaches & parents** – Never ignore a bump or blow to the head, even if you feel fine. Also, tell your coach if you think one of your teammates might have a concussion.
- **Get a medical check-up** – A physician or other licensed health care provider can tell you if you have a concussion, and when it is OK to return to play.
- **Give yourself time to heal** – If you have a concussion, your brain needs time to heal. While your brain is healing, you are much more likely to have another concussion. It is important to rest and not return to play until you get the OK from your health care professional.

PARENTS/GUARDIANS, You can help your child prevent a concussion:

- Make sure they wear the right protective equipment for their activity. It should fit properly, be well maintained, and be worn consistently and correctly.
- Ensure that they follow their coaches' rules for safety and the rules of the sport.
- Encourage them to practice good sportsmanship at all times.

For more information visit: www.cdc.gov/Concussion

IMPORTANT: Students (grades 7-12) participating in interscholastic athletics, cheerleading and dance; and their parents/guardians; must annually sign the acknowledgement below and return it to their school. Students cannot practice or compete in those activities until this form is signed and returned.

We have received the information provided on the concussion fact sheet titled, "HEADS UP: Concussion in High School Sports."
