Edmentum Login and Orientation Course

Your student's login to the Edmentum platform to access their 6-12 grade online courses is now available. Please take a few minutes prior to the start of school to verify that your login works. Directions for logging in are provided below.

In addition, a short orientation module has been loaded in Edmentum for all students. This course will familiarize them with the platform and provide an overview of how their online learning classes will be structured. Completing this course is optional. Academic classes will become available on the first day of school, August 24.

Online learning support is available by emailing creekonline@gocreek.org
