School Fees

At this time, we are not aware of any fees associated with the online program. However, if there are any specific fees for any courses, we will communicate that information to you as soon as we receive it. If your child returns for second semester, fees will be prorated.

Teacher Student Advocate (TSA)

Since the deadline to choose an educational option has passed, the buildings are busy finalizing schedules. Once this is complete, we will determine which teachers will serve as TSA's in each building. The TSAs will receive training on the online platform. During the first week of school, you will be contacted by your child's TSA.
