

# DEPEW HIGH SCHOOL DEPARTMENT SUPPLY LIST

All students will be required to have a supply of pens (black, blue, & red), pencils, colored pencils, loose leaf notebook paper and highlighters. If a specific color is requested for a binder, you can use construction paper in a clear or white binder or buy the specific color. Calculators are required for the math courses and recommended for home use. Calculators are available for students to use throughout the school day and also after school. Review books are used for some Regents science classes and can be purchased in the main office. Any student that has difficulty getting supplies for financial reasons should contact the counseling office for assistance.
