

IMPORTANT NOTE :

Official Photography Studio of Beaver Creek High School

* * Easterling Studios * *

431 Wayne Avenue

Dayton, Ohio 45410

Easterling continues as the official Beaver Creek High School photography studio for the 2020-2021 school year and is under current contract through the Class of 2021. Seniors photographed at Easterling will be provided not only with an approved image for inclusion in the yearbook but also a complimentary copy of the class composite at the end of the school year. See Easterling [senior brochure](#) and [post card](#) sent earlier in the year for details about special offers available.

Please note: *Only students photographed at Easterling can be included in the composite photo.* As our official studio, photographers from Easterling will be seen at all high school events (athletics, dances, plays, concerts, etc.) photographing these activities. Services they provide to the school and the Beaver Tales yearbook are greatly appreciated.

The following photography studios are approved for the 2020-2021 school year as senior inclusion photography studios. As such, their senior portraits can be used in the *Beaver Tales* yearbook in addition to those of Easterling Studios.

*Please remember that **only** photographs from board-approved studios can be accepted for inclusion in the high school yearbook. These photographs must be turned in by the photography studio. They cannot be accepted from individuals.*

IMPORTANT REMINDER: All photographs must be received in the yearbook office no later than the first Friday back after winter break. Internal studio deadlines vary, so check with your studio before being photographed. Additional studios have expressed an interest in entering into contracts. Watch this website for updated information.
