March 30, 2021

Dear Beavercreek High School Families,

You are receiving this to inform you of the change in the daily bell schedule at BHS during the upcoming state testing. Throughout testing our traditional students will report to AVP during testing sessions. Virtual students will only need to report on their specific testing days. We understand that not every student follows the traditional schedule each and every day. Those seniors following an early release schedule should report to school each day for their scheduled classes according to the bell schedule listed below. Off campus CCP enrollment and Work Study Program (OWE) students should report during their regularly scheduled hours. Due to the altered schedule please make sure that your child is in regular contact with their teachers so they stay up to date on classroom activities and expectations as they may not see their teachers daily.

Testing Bell Schedule

April 12-13				
English
