The Beginning Of Responsibility

There are many activities the Junior High Students participate in throughout the school year. Some of these activities include Basketball, Track, Football, Cheering, Band, Marching Band, Chorus, and Art. Some of the new things the seventh graders experienced were lockers, Junior High parties, no recess, no milk breaks, and more participation in sports. The eighth graders had a new goal to achieve. They would be graduation from grade school and going on to High School where the atmosphere would be different.

8th grade officers are: Wendy Smith, treasurer; Sherry Libis, president; Troy Wanner, secretary; Sidney Maier, vice-president; and Michele Rau, treasurer.

After 31 years of teaching, Mrs. Laura Libis is retiring. She attended Northern State College where she received her degree in Elementary Education. She served 21 years in the Eureka School system and her many years of hard work and dedication are deeply appreciated.

Officers for the 7th grade are: Bruce Fauth, president; Todd Ackerman, vice-president; Holly Wanner, secretary; and Ronald Neuharth, treasurer.

Freshmen

Twenty-eight new students entered E.H.S. not knowing exactly what they were getting into. Mass confusion and their fright of seniors were only a small fraction of their many problems as freshmen.

As the youngest members of E.H.S., they bore some of the least appreciated and fulfilling positions available.

As the year progressed "freshmen fright" fades and they look to the future with much anticipation.

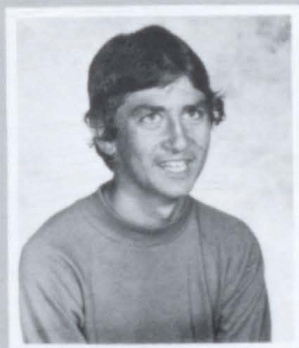

Leading the Freshmen class were: Pres. Brian Dais, Vice Pres. Gerald Stroh, Sec.-Treas. Monica Fauth.

Sophomores Carry 5 Subjects

As the Sophomores advance in stature, they gain knowledge and respect. In Biology they grew accustomed to the smell of formaldehyde, and to the sight of various biological anatomies. "asdfjkl;" and "STOP", became very very familiar to the Typing I and Driver Education students because it was a very famous saying of their teacher Mr. Berreth. Serving at the Junior-Senior Prom was a privilege granted to 16 of the Sophomores.

Girls Basketball showed a great improvement this year. They got off to an inconsistent start by having a few ups and downs. The girls played a tough defensive game throughout the year. Their offense was often shaky but they seemed to pull themselves together by team effort. For the first time in the history of girls basketball in Eureka, they proved they were capable of proceeding to the finals of the District V Tournament. Although they came out second they still felt they had accomplished what they had set out to do.

Kim Kary out jumps the opposition.

11 Man Football Takes Last Stand

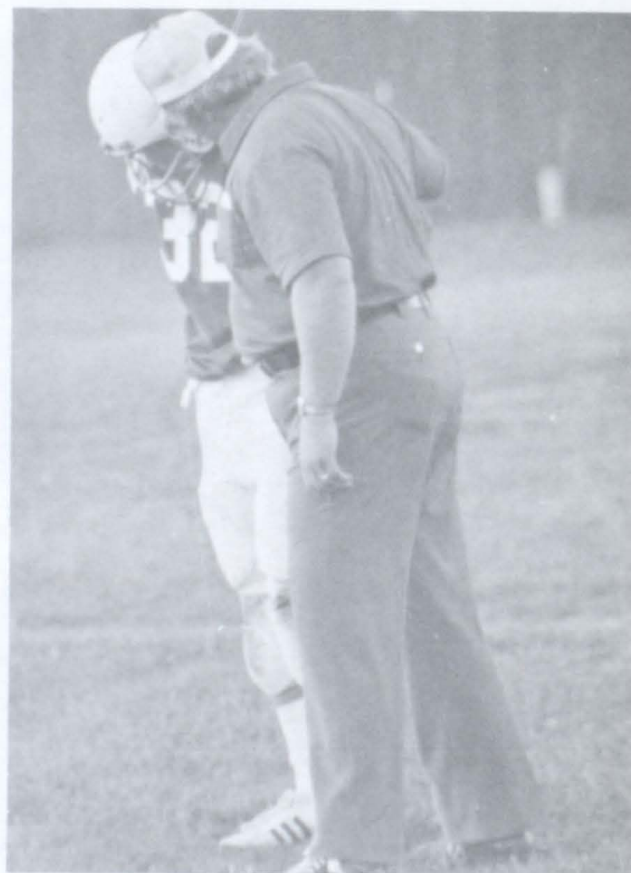

With experience on their side, the 1978 football team had the potential to produce a very successful season. The squad consisting of 10 seniors and 17 underclassmen were led by captains Mike Schock, David Mehlhaff, and Drake Kary. Due to unknown reasons the team got off to a shaky start losing the first four games, but the teams determination to win won them the last 4 of 5 and left them with a season record of 4-5 and second place in the conference race. Coach Hermansen compared the squad to a race car, stating that the team was a winning car, but it just wasn't tuned-up right away. To end the season 9-man football was introduced with a game against Bowdle where the Trojans prevailed. Team effort helped individuals gain recognition as David Mehlhaff and Drake Kary were named to the All-Conference team and Mike Schock, Jeff Neuharth, Dan Mettler, Scott Svendsen, and Mike Fischer were given Honorable Mention awards.

COMMUNITY

Homecoming 1978-79

The 1978-79 Homecoming festivities started with the choosing of the candidates. The theme chosen for this years Homecoming was Songs. The Seniors had to start earlier and work harder because the Royalty float was used in the Coronation Ceremonies held on Thursday night at the football field. This new idea proved to be successful, especially because the band was able to perform it's half-time show.

Following the band performance was the introduction of the candidates by Master of Ceremonies Mike Schock and Mistress of Ceremonies Karla Gross. After the coronation of the new King and Queen a song dedicated to them was sung by Linda Opp. Once again Coach Hermnsen added to the program by reading a poem. The Ceremonies came to a close with a pep rally.

Friday turned out to be a perfect day for the parade. The Sophomore class and the Industrial Arts took first honors in the two divisions. The Homecoming festivities came to a close with a football game between the Eureka Trojans and the Leola Pirates in which the Pirates emerged victorious.

The park area provided for many activities such as hiking, softball, building sandcastles, and natural beauty. The day ended with a big softball game which had many participants.

It was a windy day, but the temperature was right for everyone to enjoy.

THROUGH THE PAGES OF MY MIND

You're a part of my book of memories
as the sun sets on the day
I leaf through the pages of my mind.

You will always be there.
You are as the rain is to a flower
for because of you I've grown,
and with thoughts of you, the empty pages
of my mind overflow.

To you I am grateful
for the warmth of your hold
and the security of your smile.

For you I would run through barren fields
until I found a daisy to give you,

and I would travel all the roads
just to be able to see you again and hold your
hand and turn to you and say
thanks for taking the time to care.
