Re: Report Cards and Final Grades

Greetings Barneveld Families,

I hope you are enjoying your summer and are finding time to celebrate this 4th of July weekend.

This message is to inform you that report cards for Middle School Students have been mailed out and you should be receiving them over the next several days. Senior grades and transcripts are available and Mrs. Schulting has been working with students to get them.

We anticipate grade reports for Freshmen, Sophomore, and Juniors will be completed over the next couple of weeks. You will receive a notification as soon as they are sent out.

The migration from Powerschool to Skyward is currently taking place and families will receive login information later in July. When the system is up and running, we will provide you with instructions on how to utilize the system to access your student's information including grades, scheduling, food service, and fee management.

Thank you again for your patience and understanding as we migrate to a new Student Information System.

Sincerely,

Joseph Price,
Superintendent
