March 2018

Bangor Township Schools Thanks Our School Board Leaders

As citizen leaders, individual school board members face complex and demanding challenges. They are alternately described as having the most important volunteer jobs in the country and facing the toughest challenge in elected American government. Yet school board members are just ordinary citizens with extraordinary dedication to our nation's and this district's public schools. All Michigan citizens should recognize the vital contributions of these men and women and the crucial role they play in the education of our children.

The month of January marks the annual observance of School Board Recognition Month. This is a time to show our appreciation and begin to better understand how local trustees work together to prepare today's students to be tomorrow's leaders. I hope you will join me along with others from throughout our district and state to salute the men and women who provide grassroots governance of public schools. Their tireless efforts and hours of volunteering helps provide endless opportunities for the students and families we serve. Thank you to each of you for all you do for our students, staff, families, and our community.

Pictured left to right and years of service: Mark Seymour 13yrs;
Patrick Schaffer 11yrs; John Loop 16yrs;
Richard Kowalski 31yrs; Matthew Schmidt, Superintendent;
Brian Tobin 12yrs; Jason Forgash 1yr; Melissa Kaczmarek 10yrs.

Mark your calendars.....

Spring Break

March 30th, 2018-April 6th, 2018

School resumes on April 9th 2018

VIRTUAL SCHOOL

Student of the Month

The BTVS student of the month award is given to students who show leadership, work ethic, academic prowess, and are online learning role models.

Middle School BTVS student Messiah Everett has been awarded student of the month for November.

Messiah came to BTVS as at the beginning of this year looking for a program that provided her the freedom to work at her pace. She has really caught on as an online student, and is an absolute pleasure to have in the program.

Hunter Miller, a senior, is December’s student of the month.

Hunter said, “If you're trying to earn student of the month, don't just think about the work you're getting done today. Think about the work you can get done today for tomorrow, and keep that going till the end of the week. And when the next week starts, keep that going. Getting one extra lesson done from the next day gives you time to get another lesson or two done that next day, which keeps going and going if you're diligent and determined enough.”

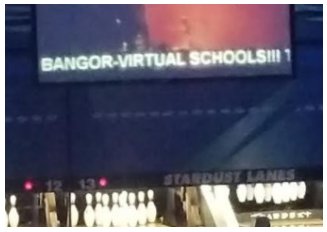

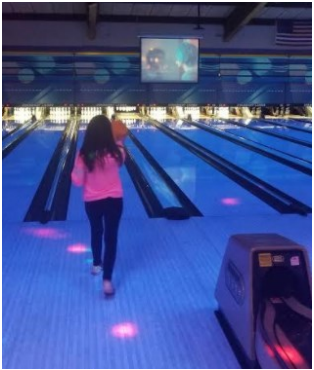

Jennifer Ostermann, an eighth grader, is January’s student of the month.

Jennifer has performed over the last 2 years as the model student of an online learner. We are extremely proud to have Jennifer as a part of the Bangor family, and look forward to watching her continue to grow.

Congratulations!

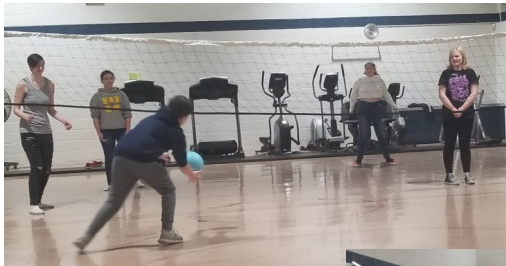

Bowling

Second Semester at BTVS has been filled with learning and adventure. We were able to make count day, count, as we enjoyed a Valentine's Cosmic Bowling Trip at Stardust Lanes. BTVS was the first school to break in the new bumper cars! Highest point bowler was Ciara Scott! Congratulations Ciara.

Spirit Week

We also celebrated our first annual Spirit week, which included activities such as school color and twin day, volleyball tournament, board games, and a movie in pajamas day.

Project Hope

The 2017 holiday season brought with it another successful Christmas project for Project HOPE! Project HOPE is a charitable organization run by Bangor Township Schools’ staff with the goal of providing essentials for the students, staff, and families of Bangor Township during times of unforeseen crisis or need.

During the Christmas project, the staff and students of Bangor Township, along with some community members, support children of families who have been selected based on financial need or hardship. Once a family is selected, a list of eight items is developed for each child in the family, aiming to keep the amount spent around \$100. The list contains a pair of pants, a shirt, a sweatshirt/hoodie, a book or a board game, and shoes or boots. The remaining items are usually toys or specific requests the child might need, like pajamas, bedding, or personal care items. Families are “adopted” by classrooms at John Glenn and CMMS, as well as by current staff members, or even families within Bangor, and then those individuals purchase items from the list. Unfulfilled items are then purchased by Project HOPE using money from our fundraising. Finally, gifts are delivered to the families’ home schools for pick up by the parents. This year we provided wrapping paper and tape for families as well!

In the 2017 season, 39 families were adopted, and 100 Bangor Township children benefited from the project! This equates to upwards of 800 presents being purchased!

In addition to the Christmas project, Project HOPE also helps individuals or families deal with fires, death or extreme illness, unforeseen tragedy, or lack of essentials, such as food or personal care items. This is a year-round effort to help the people of Bangor Township Schools!

Thank you to the following staff and community members who adopted a family this year individually, or as a class:

- | | |
|--------------------------------|--------------------------------------|
| Kristin Aimar | Erica Staudacher |
| Kim Kernstock | Jamie Williams |
| Jennifer Kipfmiller | Kim Dankert |
| Amanda Klida | Leanne Gauthier |

| Todd Schisler | |

Thank you to all of our other students, staff, and community supporters who gave through a donation of time or money!

A special thank you to our administrative team, Matt Schmidt, Dan Decuf and Tony Bacigalupo for your continued support of the project.

JOHN GLENN

Principal—Mr. Dan Decuf

Assistant Principal—Mr. Tony Bacigalupo

Congratulations State Champions.....

Drama State Champions

Another state championship! A huge congrats to our drama team as they are STATE CHAMPS in studio and runner up in main stage. They put in an incredible amount of work, and deserve this great accomplishment. Go Bobcats!

Varsity Pom– State Champions

Great job, by Varsity Poms winning the state championship for Class B Varsity Poms.

Glenn Students to Compete in National History Day Contest

By Jennifer Veitengruber

Thirty-six John Glenn freshmen recently created projects for the upcoming National History Day/Michigan History Day competition. This year's theme is "Conflict and Compromise," and participants could choose any topic in history that is at least twenty years old. Students began creating their projects in October as part of an assignment for Mrs. Veitengruber's Honors World History course. They were able to work either alone or as part of a team and chose from the following categories: Individual Historical Paper, Group Exhibit, Individual Exhibit, Group Documentary, Individual Documentary, Group Website, or Individual Website.

The district competition will take place at Bay City Central High School on Saturday, March 10th, where John Glenn projects will go up against others in the senior division. Top projects will then move on to the State Finals on April 28th at the same location. The public is welcome to attend either event!

We are so proud of all of our students who participated and wish those moving on the best of luck at Districts!

Students with projects advancing to the district level are:

Historical Paper

1. Cayden Davies (The Pullman Strike)
2. McKenna Wasmer (Bloody Sunday & The Russian Revolution)

Group Exhibit

1. Taryn Inman & Kiah Kowalski (Salem Witch Trials)
2. Megan Przygocki & Katelyn Weston (The Vietnam War)
3. Kylie Anderson, Carly McCrum, & Kristen Vlk (Bloody Mary)

Individual Exhibit

1. Sabrina Lipan (The Forgotten Holocaust)
2. Will Ozdych (The Emu War)

Group Documentary

1. Blake Dinauer & Blake Hoffard (Al Capone)
2. Matthew Cull, Sean Monaghan, & Peter Remington (The Boston Tea Party)

Individual Documentary

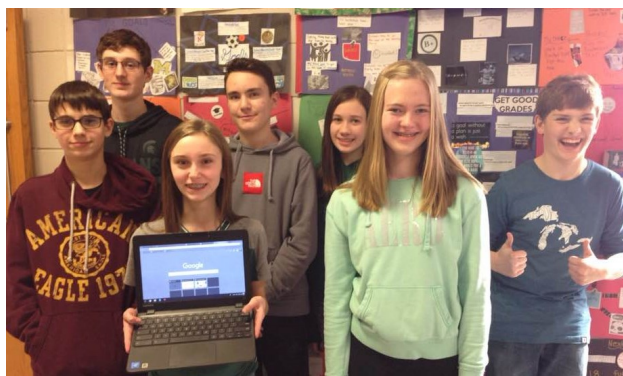

1. Tyler Luczak (The Big Three)

Group Website

1. Braydon Good & Natalie Reid (The Bay of Pigs Invasion)
2. Taylor Eldred & Anika Newton (Memphis Race Riots 1866)

Individual Website

1. Drew Rogers (Harlem Hellfighters)
2. Evan Hagstrom (The Crusades)

JGHS Art Students Place 1st in Zehnder’s Snow Carving Competition 2018

“Yeti Builds a Snowman”

Lucas Pobanz, Team Captain
Nathan Jacobs
Anna Hubner
Ashley Maxwell

The JGHS Art Department sent two teams to compete in the 2018 Zehnder’s High School Snow Carving Competition. The students begin to plan and prepare after Thanksgiving holiday. This year they had warm weather to contend with. The teams requested early judging and the sculptures remained standing until after the award banquet Friday night. “Yeti Builds a Snowman” awarded First Place. The team was comprised of all first years carvers with the exception of team captain, Lucas Pobanz, who was returning for his second year. This team will be competing in the State Snow Carving Competition in 2019. The team that carved “Intertwining Fish” was comprised of two experienced carvers and two first year carvers. Their team placed 6th. “Intertwining Fish” was an extremely difficult design that was beautifully executed. Thank you to our 2018 Sponsors, Hubner CPS Services, Lakeshore Living, Maier and Associates, and Diamond Entertainment Services.

“Intertwining Fish”

Alyssa Hegenauer, Team Captain
Madasyn Edsall
Tommy Lewis
Ethan Persons

Studio 23 Teenworks Exhibition

The following high school art students were selected to display work in the Studio 23 Teenworks exhibition. The exhibition will be on display from Friday Feb 27-March 24th and is free to the public. Each school may submit 25 works of art. Fun fact: JGHS Art students worked with Valerie Allen, Studio 23 Curator, to set up the exhibition. Students learned about gallery curatorship.

Jesusita Amaro, Cassidy Bachman, Caitlyn Calles, Sydney Dankert, Madasyn Edsall, Noah Gaffney, Payton Good, Aralyn Hantla, Kailee Hartwig, Alyssa Hegenauer, Anna Hubner, Nathan Jacobs, Taylor Kekel, Thomas Lewis, Rayne Lotz, Erin Lynch, Ashley Maxwell, Eric Rodammer, Taylor Spiekerman, Sydney Theiler, Shane Weishuhn, Alexandria Yax

Michigan Art Education Association
(MAEA) Regional Exhibition

The following high school art students were selected to enter work in the MAEA regional exhibition. Each school may only submit five works. Congratulations to art students Alyssa Hegenauer and Rayne Lotz who created artwork juried at regionals to move on to State adjudication in Lansing.

Alyssa Hegenauer, Rayne Lotz, Julianna Kussy,
Madasyn Edsall, Payton Good

John Glenn Robotics Team

The John Glenn Robotics Team 6020 has begun our third year with the FIRST Robotics program. This year’s competition is FIRST Power Up! Our students have spent the last 6 weeks working on building the robot, programming, safety, social media management, and securing sponsorships, and practicing our driving skills. We will have two district competitions this season, March 15-17 at Gaylord High School and March 22-24 at Midland Dow High School. We are hopeful that we will be able to continue onto the state level competition April 12-14 at Saginaw Valley State University. We would love to have you come out and cheer us on! If you are interested in sponsoring our team, please contact Bob LaRocque or Erica Staudacher at John Glenn High School.

Cheer Clinic

On Tuesday, February 20th the varsity cheer team hosted a cheer clinic. The cheer team motivated the young Bobcats with their great attitudes and enthusiasm for cheer. The team taught the future Bobcat cheerleaders a dance routine that featured tumbling and stunts. The performance was amazing. Following the routine, the girls got the fans in the stands excited about the game with a crowd cheer. Over 24 students attended the clinic and helped the team fundraise for new uniforms.

John Glenn Robotics
SPONSORSHIP LEVELS

The John Glenn High School Robotics team is looking for sponsors for our FIRST Robotics Season. We are looking to build relationships within our community as we look to support our students, program, and school. All proceeds from sponsorship will be used for the FIRST Robotics Program at John Glenn High School.

BRONZE LEVEL \$25.00 +
-Logo displayed at John Glenn

SILVER LEVEL \$50.00 +
-Bronze level recognition
-Logo displayed on John Glenn Robotics Team Website

GOLD LEVEL \$100.00 +
-Silver level recognition
-Logo displayed on team uniforms

PLATINUM LEVEL \$250.00 +
-Gold level recognition
-Logo displayed on team banner

BOBCAT STRONG \$500.00 +
-Platinum level recognition
-Logo displayed on robot

C.L.A.S.S. Project
Curtains, Lights, and Sound Support

The R. Jeanne Gilbert Auditorium needs your help! Even with Bangor Township Schools providing many necessary updates to the facility, more are needed. In order to continue to bring you quality theater, choir, and band productions, specialty lights and wireless microphones need to be purchased. The specialty lights are 1st generation, with replacement parts next to impossible to find. We are currently piecing together microphones from old parts to have a full set to run theater productions. This is where you come in. With your generous support, we need to raise \$100,000 for the necessary updates! A generous patron donated the necessary funds to replace the main stage curtain, for which we are truly grateful. We appreciate any and all support you can give; no amount is too small! Suggested amounts and benefits are listed below.

Level	Cost	Benefit
Patrons	\$50.00	Gold Plaque on Seat Arm
Spot Lights	\$100 - 249	Brick Plaque Listed in Spring Programs
Stage Managers	\$250 - 499	Brick Plaque Listed in Spring Programs
Conductors	\$500 - 999	Brick Plaque 2 Season Tickets for the year of donation Listed in Spring Programs
Directors	\$1,000 - 2,499	Brick Plaque 4 Season Tickets for the year of donation Listed in Spring Programs
Producers	\$2,500 - 4,999	Brick Plaque Tailored Ticket Package Listed in Spring Programs
Executive Producers	\$5,000.00 - up	Brick Plaque Tailored Ticket Package Highlighted in all Programs

CENTRAL

Mrs. Melissa Vrable, Principal
(989) 684-8891

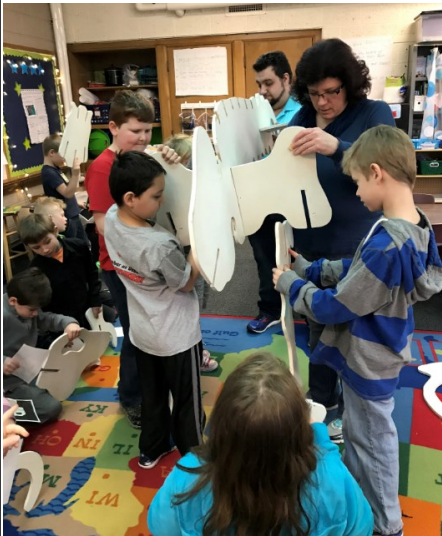

Yoga

After school yoga program meets once a week with a certified yoga instructor. The students are taught basic yoga poses, mindfulness, breathing techniques, and coping skills. This program was made available for free to 20 of our students due to a grant provided to the district from the Bay Area Community Foundation.

Mastodons and Mammoths

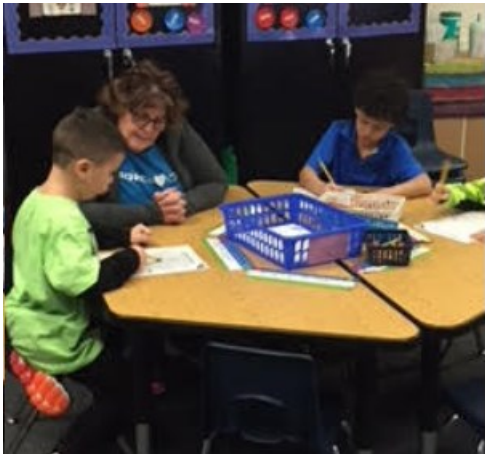

Second graders at Bangor Central had a fantastic presentation from the Bay City Museum about Michigan's Mastodons and Mammoths. They learned how these giants lived right here in Bangor Township long ago, how they ate, and compared and contrasted the two. Both classes got to make mastodon and mammoth teeth. The best part was working as a team to build a 3D puzzle of a mastodon.

Thank you Kohls Care Volunteer Team

The Kohls Cares Volunteer Team came into our kindergarten classroom in January! They spent the entire morning with our students! During our reading block they helped read to students, listen to students read, play sight word games, work on writing, and much more! We appreciated all of their time and support! Furthermore, they donated money back to support the needs within our classroom. We are so grateful.

LINCOLN

Mr. Kurtis Pake, Principal
(989) 686-7639

Volunteers packing supplies to send to the troops.

Jackie Bates and friends who volunteered.

Send Santa to the Troops

In November, Bangor Lincoln Elementary, held a coin drive to raise money to "Send Santa to the Troops". Each teacher collected coins in their classrooms to compete for a chance to win a Slurpee and pizza party from Jackie Bates and the 7-11 Store on Old Kawkawlin Road. Bangor Lincoln raised over \$500. The classroom that raised the most was Mrs. Kekel's 1st grade classroom who enjoyed their party this quarter.

Jackie Bates, 7-11 Store owner, and
Mrs. Kekel's 1st Grade Class.

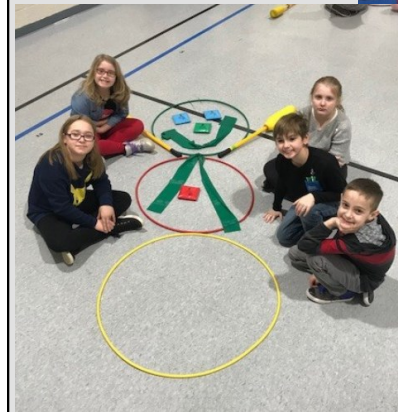

Mrs. Kekel's 1st Grade Class enjoying their
Slurpee and pizza party.

STEM in PE.

Do you want to build a snowman?

Students in Mrs. Garcia's Physical Education Classes incorporated STEM principals when returning from winter break. Cooperatively working in groups, students were to select random pieces of P.E. equipment in order to engineer a snowman. Students had fun using their imaginations and creativity to create original and unique snowmen.

Martial Arts

Lincoln was excited to welcome Cosens Martial Arts for a four-week class. Over 20 students had the opportunity to participate in martial arts and learn several life skills that will help them in and out of the classroom.

Our flag has made it overseas! Thank you to SGT Andrew Comtois and SSGT Tyler Haynes for the picture and your service to our country.

WEST

Mr. Craig Pfenninger, Principal
(989) 684-3373

The Tradition Continues!

With our second annual Gingerbread House Day, this past December each student brought a special person to help them make and decorate a gingerbread house. With relatives coming home from the military to college students returning home to spend time with siblings, it was a great day of fun hands-on building and memory making that will last a lifetime!

Sledding

Students at Bangor West were able to enjoy some sledding during recess on Valentine's Day thanks to our "Peaceful Playground" committee headed up by Kari Newton. Our snowplows did a great job creating hills for the kids. Thank you Ms. Newton for organizing this event and to all those who brought in sleds for the kids to use!!

Family Sweetheart Dance

Bangor West hosted their 2nd annual Family Sweetheart Dance on February 9th. There were approximately 200 people who attended this fantastic event; which was double from last year. Fun was had by all! There was a cookie decorating station, photo booth, movie room, game room, and D.J. as entertainment. Students had a blast competing in the hula hoop competition by grade level and dancing the night away to their favorite songs.

Bangor Township Schools 2018 Kindergarten and Young Fives Registration & Screening

Bangor Township Schools will be completing Kindergarten Registration & Screening for the 2018-2019 school year. This year, parents will be able to register and have their child screened on the same day. **For this reason, please make sure the future Bobcat being registered is present at the time of registration.**

When:

- Monday March 5, 2018: 8:00 – 2:00 p.m.
- Tuesday March 6, 2018: 12:00 – 6:00 p.m.

Where:

- Edison Admin Building, 3359 E. Midland Rd.

- * Kindergarten enrollment is open to students that will be 5 years by September 1, 2018.
- * Students who will be five between September 1 and December 1, 2018 may apply for a waiver by June 1, 2018. These students will be screened for Kindergarten and Young Fives to determine appropriate placement.
- * Screening for our Young Fives Program will also take place at this time.
- * Building placements will be determined by June.
- * Please bring a birth certificate, 2 forms of identification and an immunization record. Enrollment forms are available on-line.
- * All incoming Kindergarteners must have vision and screening before the first day of school.
- * Bangor North Preschool Teachers will be screening their students and providing parents with the registration forms to complete. Therefore, parents of Bangor North students don't need to attend Kindergarten Registration & Screening.

If you have any questions, please contact Mr. Kurtis Pake, Kindergarten Coordinator, at (989)686-7639, Ext. 5202.

What Does Preschool Do for Children?

- Preschool helps your child grow mentally, socially, emotionally, and physically.
 - Children learn beginning reading, writing, and math skills.
- Children are offered a balance of play and teacher-guided activities each day.
- Preschool is a place where children can safely play and explore their world.
- Preschool allows you to be actively involved in your child's early education.
- Children that attend Preschool are more likely to succeed, in Kindergarten and throughout college.

Revised 2.12.14 jj

JOHN GLENN

BOOSTER CLUB

Thank you to everyone who everyone who bought tickets over the past year for our Jokers Wild Raffle! We would also like to thank Bay Lanes / Tap Alley for allowing us to hold our drawings there and for selling tickets, and also to Crossroads Restaurant, Bier Garten, and Tim Horton's for selling tickets!

★ *If every parent volunteered to work concession for ONE EVENT, nobody would ever have to volunteer twice!*

Upcoming Events:

April 12th, 2018 Volunteer Appreciation Dinner
September 9th, 2018 Annual Golf Outing

Valentine's Day Tea

On February 14th Bangor North celebrated Valentine's Day with a Special Person Valentine's Day Tea. Students and family members enjoyed sweet treats in the cafeteria and joined activities in the child's classroom. The Great Start Readiness Program focused on letter recognition, counting, reading, making shapes and fine motor skills. Staff, students and families had a blast celebrating Valentine's Day together!
