THE ONLINE NEWSLETTER FOR GUNTER ISD

## Spring Activities in full BLOOM...

...we are so glad to see things getting back to “almost” normal!

One year ago, extra-curriculars came to an abrupt halt. We transformed to an online learning environment. Fields were empty, stands were silent, animals that had been raised all year were not allowed to be shown, field trips and banquets were canceled. **BUT...**

So far in the 2020-21 school year, we have been able to keep the extra-curricular activities in action for both fall AND spring... and THAT makes us **so happy!**

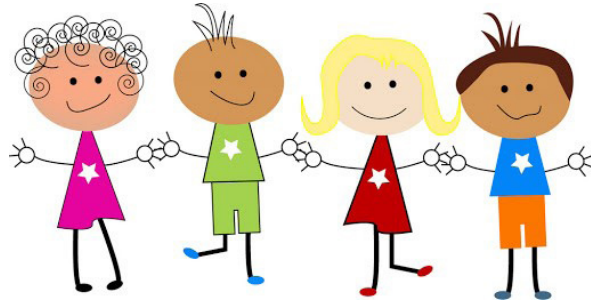

## GUNTER ISD 2021-2022 Pre-K and Kindergarten Roundup

Registration for the 2021-2022 school year will be held on **Monday, April 5th** from 4:00-6:30pm in the elementary school cafeteria. This is only for incoming Pre K and Kindergarten students that are new to the district.

Parents should bring the child's birth certificate, social security card, immunization record, photo ID of enroller, and proof of residency.

For Pre-K, you may qualify based on meeting the eligibility criteria listed below or you may attend for a monthly fee of \$440, based on availability.

- ▶ Qualifying factors are as follows:
- ▶ child is limited English speaking
- ▶ child is homeless
- ▶ child is or has ever been in the foster care system
- ▶ child is a dependent of active or deceased military
- ▶ child's parent is a recipient of Star of Texas Award
- ▶ family meets income threshold (must provide two months of pay stubs)

Students will not be reserved a place in Pre-K until the school has received ALL required documents. For non-qualifying students, there is a \$75 registration fee due to hold a spot.

Please call the office at 903-433-5315 with any questions or if you are unable to register your child on this date to ensure his/her name is on the list.

**If** you suspect an infant, child or young adult of having a developmental delay or disability, your school can open a window of hope for a brighter future. Services at no cost to the family are available to all eligible individuals from 3 through 21 years of age (starting at birth for auditory and/or visual impairments) regardless of the severity of their disability.

Special services are available to eligible infants, children and young adults identified with a disability who may be experiencing difficulties in one or more of the following areas:

- ♦ Auditory Impairment
- ♦ Autism
- ♦ Deaf-Blindness
- ♦ Emotional Disturbance
- ♦ Intellectual Disability
- ♦ Orthopedic Impairment
- ♦ Specific Learning Disability
- ♦ Speech or Language Impairment
- ♦ Traumatic Brain Injury
- ♦ Visual Impairment
- ♦ Other Health Impairment

Scheduled Bad Weather Days  
**April 1st & 2nd**

Students and staff will not be in school on April 1st & 2nd.

Enjoy your weekend!

The Gunter football team is selling caps. If you would like to order one, please [click here](#). All orders must be in by April 9th, and you will pay when the hat comes in.

March 15, 2021

Dear GISD Family - I wanted to share with you the decisions from the Board Meeting this evening. Please know that our Leadership Team and School Board gave careful consideration to various data and feedback around this issue including:

- GISD's Covid Data History (printed on page 4 of this newsletter) - which has shown very few cases in the last several months as well as a very high number of students who have missed multiple weeks of school due to close contact;
- GISD's Covid Protocol Survey Data from both our staff and our parents - which both were mass majority in favor of lifting mask requirements and limiting some of the required close contact quarantines; and
- The opportunity for all of our GISD staff to receive the Covid vaccine - 52 staff members are already fully vaccinated or have already received their first shot and the remainder will have an opportunity this Friday.

Below is the general summary of the changes that were approved unanimously this evening by our Board of Trustees:

### COVID PROTOCOL CHANGES

1. **Face Coverings** – As of March 15, 2021, face coverings are optional for students, staff and visitors in district facilities, school buses and school events. We would encourage students & staff to take whatever precautions they feel comfortable with in light of Covid. Please note, however, that if the number of cases in GISD increase past a certain threshold (greater than 5%), face coverings may be required on a certain campus or a specific grade level until the # of cases falls below that threshold per our Multi-Stage Approach guidelines. \*To date, this threshold has not been met.
2. **Close Contact** – Close Contact mandatory quarantine requirements will only be in effect for students and staff **who have had “significant & sustained contact”** – (ie, household member, traveling together, significant contact in activities, sleepovers, etc.). All other “close contacts” will be communicated to parents and parents may choose whether to quarantine.
3. **Staff Leave** – Staff will continue to have access to Local Covid Leave through the duration of Spring 2021, though we are encouraging those who choose not to receive a vaccination to wear a face covering when in close contact with others.
4. **Notifications** – Covid notifications will solely be communicated through our Covid Tracker which is updated daily if there are any new cases.
5. **Capacity** – GISD will allow 100% capacity at outdoor events and 75% capacity at indoor events but we will still minimize mass indoor gatherings (ie, pep rally / end of year awards ceremonies).
6. **Field Trips** – Daytime field trips will now be allowed. \*Required protocols may vary per site.
7. **Overnight Trips** – Overnight trips will be reviewed on a case by case basis. \*Prior approval by campus principal is required.

\*Our online protocols have been updated to reflect these changes.

I want to thank each of you for sharing your thoughts as we continue to work together through this pandemic. I know these changes will be celebratory for some and cause great concern for others. Please know that we will continue to monitor the data and make changes as necessary as well as create an environment where all students feel comfortable making whatever choice they feel is best in terms of their own health and safety.

Dr. Jill Siler, Gunter ISD Superintendent

## Gunter ISD COVID Tracker

This sheet is to provide up-to-date information on the state of COVID-19 among staff and students in Gunter ISD. This information will be updated every Friday (Mondays after Nov 30). Notifications of positive cases are sent to the campus the individual attends but can also be found at [this link](#).

"Active" cases indicates the number of individuals who are currently isolated due to infection and have not yet met the "return-to-school" protocols. "Currently Quarantined" indicates the number of individuals who had close contact with a positive case.

*We update active cases during the week (in pink, in a separate row).*

### BEGINNING FRIDAY, APRIL 16th: All Fridays Will Be On Regular Schedule

We want to say a huge thank you to all of our GISD Families who supported us as we changed our calendar to make Fridays Voluntary Early Release Days. We did this to help our teachers who were supporting our remote learners. When we phased out that program, we continued them because our teachers were still supporting our quarantined students. I am really excited to report that we have been 6 weeks in a row with less than 5 students district-wide that have been quarantined. We are obviously off this Friday and we have our districtwide Vaccine Clinic for our Round 2 shot tentatively scheduled on the afternoon of Friday, April 9th **so we will shift back to Regular Schedule on Fridays beginning April 16th**. We will continue to monitor our Covid data and if the need arises to change this further, we will adjust as needed. While this was "voluntary," we never could have made this work if not for all of the families who changed your Friday schedules so that we could care for a smaller number of students and free up our teachers. THANK YOU as always for all of your support!

## LUNAR LANDERS

Students in Mrs. Pelzel's science class have been studying about the sun, moon, and stars. They were tasked to build a lunar lander that would land safely on the "moon".

Their astronaut marshmallows had to stay securely in their spacecraft from a 4 feet drop. Students had a lot of fun working together and testing their spacecrafts!

Before spring break 4th grade did hands on geometry by using marshmallow and pretzels to form various types of angles and review various shapes and other TEKS related to geometry. Students enjoyed this delicious lesson!

## FEBRUARY GES STUDENTS OF THE MONTH

First: Ayson Rutherford  
Second: Ashtin Miller  
Third: Fabian Lopez  
Fourth: Kinslee Gray

## Checking out their Peeps Reaction!

Mrs. Fisher's kindergartners were learning about reactions. As an experiment, they tested some "Peeps" to see how they would react in soda, water, and vinegar!

## Elementary Spring Book Fair April 5 - April 18

Our Book Fair is online and helps our students discover new books, favorite characters, and more! Every purchase earns our school rewards for much needed resources. Plus, shipping is free on book-only purchases over \$25.

[Click here to access the online store!](#)

Thank you for instilling a love of reading and supporting our Book Fair!

Scott Dawson has created illustrations for Lauren Tarshis' "I Survived" series since the first book "I Survived the Sinking of the Titanic, 1912" debuted in 2010, and has continued to create images to correspond with Tarshis' words for the succeeding 21 books. The GES 4th grade had the opportunity to Zoom with Mr. Dawson and ask questions regarding his drawings. Mr. Dawson drew a Tiger (shown above) and shared the illustration with our students to have as a

keepsake. It was such a fun experience for them!

## Readers are Champions!

Simmons Bank helped us celebrate our "Readers are Champions" students by donating popcorn and stress balls.

These students read a total of **43,883 minutes!**

# What is your superpower?

Mrs. Schroeter's 5th graders are studying Latin and Greek roots. To make it fun, students chose a root to turn into a superhero. The root had to be part of the superhero's name and the superhero's powers had to be related to the meaning of the root. Take a look at what they came up with!

# ESCAPING THE COAL MINE!

Students in Mrs. Morrison's 6th grade science class found themselves locked inside a dark coal mine today! They have been learning about natural resources, and had to use the knowledge they have gained during this unit to solve the clues and escape. Luckily, Mrs. Morrison had some flashlights on hand so the students could read each clue and work their way through each level. No worries! The students solved the puzzles, made it out successfully and proceeded to their next class!

## Middle School Fine Arts GMS Band UIL Competition

Our GMS Choir competed today in their Spring UIL contest and sightreading. Their efforts paid off, as they earned a '1', the highest distinction, in the concert portion of their program, and a '2' in Sightreading.

## UIL Concert & Sightreading

The Gunter Middle School Band received a first division rating from all six judges at their UIL Concert & Sight-Reading Evaluation. This is the highest possible rating you can receive! Congratulations to our GMS Band on earning their UIL Sweepstakes!

## GMS Choir UIL Competition

Our students represented Gunter well, as they were poised, professional, and attentive during the contest. Their efforts paid off, as they earned a '1', the highest distinction, in the concert portion of their program, and a '2' in Sightreading.

## PENNIES FOR PATIENTS

"Pennies for Patients," a fundraiser to benefit the American Leukemia Society, is running until Wednesday, April 7th at the middle school. If you would like to make a donation, contact a middle school student or the middle school office. This is a class competition, and the winning class will receive a pizza party for collecting the most money. Any loose change is accepted... it all adds up!

## FOOD ... YES, IT'S A LEARNING TOOL!

(Left) Students in Mrs. Sander's advanced animal science applied their knowledge of subcutaneous, intramuscular and intravenous injections to save some mandarin oranges!

(Right) Mrs. Clarke's Health Science students learned about dissection with chicken wings.

The US Naval Academy is holding its world-class Summer STEM Camp and Summer Seminar this coming June in a virtual format, and we would love to have more students from Gunter join!

Summer STEM (<https://www.usna.edu/Admissions/Programs/STEM.php>) is for current 8th, 9th and 10th graders, while Summer Seminar (<https://www.usna.edu/Admissions/Programs/NASS.php>) is for current 11th graders. Both are amazing experiences!

There is a fee associated with each - but there are scholarships available (depending on the family's individual circumstances). The fee includes USNA apparel and program materials.

### Class Hub

Click on your class link below to access your course request form!

We are **THRILLED** to welcome the Class of 2025 in the fall! Before we get too far ahead of ourselves, we need to get your student's school schedule mapped out. Our **AMAZING** counselor, Mr. Waggoner, has made an easy informational video for you all to reference as you go through the course selection process. It's important that you watch the video below before you start the online course selection process. Once you've gotten the graduation plan and requirements from Mr. Waggoner's video, you can then go to our Course Hub website to pick classes for the 2021-2022 school year! I know it seems hard to believe that you are picking courses for a high school student but rest assured, we will do our very best to steward your precious gifts over the next four years! If you have any questions, please don't hesitate to contact the front office and we'll be happy to help!

# Floral Team & Certifications

## White Oak/Gilmer Invitational

- Placed 4th and 6th overall out of 15 teams
- Neelie Parker placed 2nd and 3rd as high individual

For the first time in history, the Tiger floral students took the Knowledge Based Exam that is approved by TEA for Career & Technology certifications. The test was created and administered by the Texas State Floral Association. Our floral students in levels I & II tackled the online exam in late January, and they came out smelling like a rose!! 61 students attempted the test: 22 out of 22 Floral 2 students passed, and 40 out of 41 Floral 1 students passed.

The certificate will give a student an edge in applying for an entry level job in the horticulture industry. The outlook for the career is very good which gives our students either an end career goal in that industry or a part-time job to earn extra money while working toward another career choice. The certificate is proof for any employer that the student is able to learn and achieve goals. It is definitely

a good addition to a student's high school resume!

Congratulations to Mrs. Osburn and the following students for earning their TSFA Knowledge Based Certificate:

Laura Caperton, Kinzee Hamilton, Sarah Jackson, Nicole Leach, Cameron Roller, Makenna Kincheloe, Paige Daniel, Alana Garcia, Elle Whitteker, Gabi Geisendorff, Ella Johnson, Kailey Tokarz, Aubrey Walton, Adelle Brackeen, Abby Green, Hailie Harrison, Grace King, Mason Peacock, Ashley Tillet, Neelie Parker, Aubrey Wendt, Malison Fisher, Brooks Griggs-Bell, Courtney George, Jayden Jones, Peyton Jordan, Briley Singleton, Phoebe Fanning, Grace Fugett, Jacob Hales, Sophie Mathers, Rhyann Pogue, Nicholas Stephan, Jillian Hobbs, Hunter Tackett, Nolan Backschie, Aubrey Burchfield, Berkeley Caple, Avery Diers, Finlee Gibson, Adyson Hubbard, Mackensie Ivey, Kendall Jolly, Cannon Lemberg, Connor Lenderman, Rayanna Mauldin, Shey Menkhoff, Caseyn Ploch, Haley Rosas, Breanna Taylor, Madison Thigpen, Trey Walton, Zachary Boland, Brooks Gage, Hudson Graham, Taylor Latham, Dru Christopher, Ryann Menser, Brodee Parker, Katelyn Smith, Colson Wood

# Congratulations!

## GHS Band - Solo & Ensemble

The high school band students put in a lot of effort to prepare for solo and ensemble competition. Much of this preparation is done on their own time, and these successes reflect on their hard work. After dealing with SNOVID, multiple remote days, losing rehearsals with their piano accompanists, and so much more, we have some extraordinary news from our band department!

We had 18 of 27 events walk away with a Division 1 rating. A Division 1 is the highest rating a musician can receive and is not easily attained! Please join us in congratulating the students listed below!

Receiving a Bronze Medal (Division 1 on a Class 3 event)

- # Kat Clemens
- # Micah Nevil
- # Aidan McDowell

Receiving a Silver Medal (Division 1 on a Class 2 event)

- # Saxon Dahle
- # Paige Daniel
- # Abby Green
- # Grace King
- # Brody McDonald
- # Erin Seiberling
- # Jonathan Smith

Receiving a Gold Medal (Division 1 on a Class 1 event)

- # Kaden Keller
- # Jack Locke
- # Dylan Marsh
- # Hayden Rizzo
- # Bria Savage
- # Penn Seiberling
- # Mary Smith
- # Jake Schafer (qualified for Texas State Solo & Ensemble by performing his solo from memory)

## GHS Choir - UIL Competition (Concert & Sightreading)

The GHS Choir received a First Division Rating in Sightreading and a Second Division Rating in their Concert portion of the UIL Evaluation at Allen on March 30th. Our students represented Gunter well and received much praise from those involved.

# GUNTER HIGH SCHOOL UIL ACADEMIC RESULTS

# CHEERLEADING

## Congratulations to the cheerleaders selected to the All State 3A Team

Lana Saenz, Kiley Meadors, Bella Craven, Stephenie Pelley

## Congratulations to the cheerleaders named to the Academic All State Team

Neelie Parker, Ashley Tillett, Renatta Vincent, and Bria Savage

Congratulations to GHS cheerleader, Lana Saenz who was chosen for the 1A-4A Red All Star Team. There are only 12 girls chosen for each region (red & blue) from 1A-4A for this team! How awesome is that?! She will be able to attend and cheer at an All Star game held in Arlington in July.

Congratulations also goes to the following girls who were chosen as alternates for the same team: Baylee Brackeen, Bella Craven, Gabi Geisendorff, and Kiley Meadors.

We have an awesome cheerleading team, and this proves it!

Keira Ashton, Caitlin Badillo, Burkleigh Coats, Paula Garcia, Brenley Gibson, Giselle Gugliotta, Addison Hammer, Kylee Keller, Reanna Kiiru, Julianna Moore, Mary Nichols, Emily Padgett, Kayla Rizzo, Alexa Zielinski

Julia Beltowski, Atalaya Fenner, Grace Geisendorff, Kyla Gortmaker, Aeris Herman, Emily Hickman, Eva James, Sadie Jones, Harlee Keel, Ava McComb, Landri McDaniel, Chase Nichols, Lia Parnell, Brynnley Rippamonti, Elyson Schafer, Allison Waltz, Jade Zarallo

## Did You Know?!?

- That our 6th Grade kiddos are Twitter-famous? (and Instagram famous and probably TikTok famous too!). Coach Stinton took a quick video of the amazing strength work that Coach Castorena has been leading and this video has had 3.8 MILLION views. WOWSER!

## Another thing we are **EXCITED** about ...

- GHS is currently in 3rd place for the Lone Star Cup (that is the **HIGHEST** we've ever been at this point in the year). We are 5 points behind Lago Vista & Lorena for the best HS in TX!

**To: Parents of GISD High School Athletes**  
**From: Gunter ISD Athletic Director, Jake Fieszel**

U.I.L. requires athletes to have the following documents on file with their school district each year.

- 1) UIL Parent and Student Agreement/ Acknowledgment Form not to use Steroids
- 2) UIL Acknowledgment of Rules Form
- 3) Sudden Cardiac Arrest Awareness Form
- 4) Concussion Acknowledgment Form
- 5) Extracurricular Acknowledgment Form
- 6) Drug Testing Acknowledgment Form

Please go online and fill out these forms by Friday, April 23rd. Use this link to go directly to the forms page of our Gunter Athletics: <https://www.gunterisd.org/Page/413> where you will find the link to fill out the online forms. This will allow you to fill out all of the required UIL forms for your daughter/son to participate in the 2021-2022 school year. These forms, along with your child's athletic physical information will be stored in our Rank One Sport+ Health online filing system. This will allow our coaches and athletic trainers to have quick access to any information we may need regarding your child. A printable version of these forms can also be found on the Gunter Athletics Webpage.

Please remember that all incoming 7th, 9th and 11th grade students are required to have a current physical form on file to participate in athletics. If your child does not have a current physical on file - they will need one before they can participate in athletics for the 2021-2022 school year. Physicals will be given on Wednesday, April 21st starting at 4:00 pm. (See schedule below). Students will need their physical form with the Medical History side filled out and signed by a parent or guardian.

GISD has purchased a blanket insurance policy for all athletes in grades 7-12 for the 2021-2022 school year. Please understand that this is a supplemental insurance policy and will not cover the total cost of an injury. Please refer to the Student/Athletic Insurance Guide on the GISD Athletics website for questions regarding how this policy works. If you have any questions, please feel free to contact Coach Fieszel at [jfieszel@gunterisd.org](mailto:jfieszel@gunterisd.org).

## Athletic Physicals

Athletic physicals will be given on Wednesday, April 21st at Gunter High School. The physical exam will be conducted by medical professionals from our partners at Children's Health Andrews Institute for Orthopedics & Sports Medicine. We will begin giving physicals at 4:00 pm. Below is a schedule for students to arrive at the HS commons.

All INCOMING 7th, 9th and 11th graders are required to have an updated physical on file to participate in all athletic activities for the 2021-2022 school year. Also, any student coming off an injury that resulted in broken bones, surgery or a hospital visit will need a new physical on file with the school.

Please have the MEDICAL HISTORY side of the physical form completed and signed by a parent/guardian prior to the day of the physical and bring your form with you to the examination.

Schedule:

- 3:45 - 10th Grade Girls
- 4:00 - 10th Grade Boys
- 4:15 - 8th Grade Girls
- 4:30 - 8th Grade Boys
- 4:45 - 6th Grade Girls
- 5:00 - 6th Grade Boys

\*Please arrive at the scheduled time and report to the HS commons with your physical form. The Medical History side of the form must be filled out by a parent.

If you have any questions, please contact Jake Fieszel via email at [jfieszel@gunterisd.org](mailto:jfieszel@gunterisd.org)

## **GISD Special Board Meeting 6:00pm**

*The Special meeting was called to order by Lynn Reed, Board Vice President. A quorum was established.*

**ATTENDANCE:** Board members included: Jeff Banks, Gabe Johnson, John Jonas, Dr. Gary Harris, Scott Meyerdirk, Jason Padgett and Lynn Reed; District attendance included: Dr. Jill Siler, Kelly Teems, Brittany Floyd, Kensie Woods and Melissa Kelly.

### **SUPERINTENDENT REPORT**

- Monthly Financial Report was given
- Enrollment Update

Elementary School	392
Middle School	329
High School	314
<b>TOTAL</b>	<b>1035</b>
- Upcoming Events/Meetings Dates were shared

### **BOARD MEMBER REPORT**

- Board Participation in Graduation – Jeff Banks, Jason Padgett and Lynn Reed
- Dr. Siler shared a Board Training Hours update

### **REGULAR BUSINESS**

- The Board approved February 2021 Minutes, Bills and 2020-21 IMAT & TEKS Certification
- The Board approved the changes to COVID-19 Protocols for School and Extracurricular Activities. These changes were emailed to parents and staff.
- The Board approved a Resolution Authorizing the Superintendent Emergency Spending and a Resolution Authorizing Emergency Pay to Employees while we were out for Winter Storm Uri.
- The Board approved a Waiver for Missed Instructional Days due to Winter Storm.
- The Board approved a Resolution to Cancel the May 1, 2021 School Board Election as we had 2 candidates apply for 2 open positions (incumbent Scott Meyerdirk and new member, Shelli Hales).
- The Board approved FDA (LOCAL) Admission – Inter-District Transfer Policy. Dr. Siler shared that we have been proactively decreasing our transfers to offset our growth. Transfers now only make up 11.5% (down from 20%) of our population. The majority of current transfers are either employee children or families with siblings already in the district.
- The Board approved to extend contract status of principals and administrative personnel.

## Discovery students Meteorology project gets noticed by some local meteorologists!

The 1st, 2nd and 3rd grade Discovery students studied meteorology and the instruments meteorologists use. Thanks to Jacob Seiberling who provided this weather station as an Eagle Scout project for the elementary students to use. They each made their own barometers and recorded air pressure for a week, and then predicted the weather.
