THE ONLINE NEWSLETTER FOR GUNTER ISD

## Superintendent's Honor Roll

It was our pleasure to recognize these students during the April school board meeting for receiving the Winter and Spring Superintendent's Honor Roll. The infamous freeze kept us from honoring the Winter group in February, so we doubled up!

These students were chosen by their teachers and principal for being outstanding in the classroom as well as being an overall great friend and role model to other students. Good grades are important, but their extra effort in personal connections is what makes these students stand out.

The students selected for this honor throughout the year will attend a field trip at the end of the school year with Dr. Siler and her administrative team.

### Congratulations to:

#### Elementary

Cohen Robson, Clark Smith, Brynn Breeding & Dashel Key

Middle School  
Caroline Damon, Samuel Waggoner, Hailey Clark & Stone

#### High School

Ashtyn Wade, Ethan James, Breanna Taylor & Hayden Rizzo

## Superintendent's Honor Roll - End of Year Field Trip

Everyone had a great time spending the day with their favorite Superintendent, Dr. Siler!

## Faculty GT Strong Awards

Congratulations to our INCREDIBLE GISD staff who continually go above and beyond for our students and our schools! We missed our February recognition due to the snow so we doubled the celebrations!

GES: Becky Beaty & Sara Price  
GMS: David Gage & Carrie Greene  
GHS: Casey Frost & Gladis Puebla  
GISD: Ron Patton & Chief Thomas

## Administrative Professional Day

Gunter ISD could not function without all of the Administrative Assistants we have in our district. We would love to say thank you to the following Administrative Assistants; you are truly the link that holds everything together!

**Administration:** Stacy Watson

**High School Campus:**

Charlotte Ruffle, Missy Crutchfield

**Athletics:** Linda Mazerolle

**Middle School Campus:**

Rachel Standerfer

**Elementary School Campus:**

Valerie Layton, Debbie Miller

**Transportation:** Nicole Mann

We were excited to present this marker during the April School Board Meeting to School Board Member, Jeff Banks, for his years of service to the district. He was definitely a rock during the time he served!

### NATIONAL ASSISTANT PRINCIPAL DAY

We appreciate our Assistant Principals and how they support the students and staff at each campus.

GHS - Jeff Egger, Katie Stinton  
GMS - Katy Johnson (Dean of Students)  
GES - Elsie Wetzel

### TEACHER APPRECIATION WEEK MAY 3-7

We hope you'll join us in honoring our teachers!

### NATIONAL LIBRARIAN DAY

We appreciate our librarians, and all of the things they do at their campuses!

GHS - Beverly Millar  
GMS - Kelly Marr  
GES - Lauri Johnson

## STAAR TESTING IN MAY

Please be sure you are present, on time, rested, and ready to go!

### EOC STAAR

STAAR EOC Algebra 1	Tuesday, May 4
STAAR EOC Biology	Wednesday, May 5
STAAR EOC US History	Thursday, May 6

### Grades 3-8 STAAR

STAAR 8th Grade Science	Thursday, May 6
STAAR 8th Grade Social Studies	Friday, May 7
STAAR 3rd-8th Grade Math	Tuesday, May 11
STAAR 3rd-8th Grade Reading	Wednesday, May 12
STAAR 5th Grade Science	Thursday, May 13

The 3rd grade Solar System projects are displayed in the hall at GES, and they are amazing! Great job 3rd grade! Here's a small sample...

Off to Canada! Our fourth graders took a trip to Canada... virtually... and visited Niagara Falls. It's *almost* as good as being there in person!

## When life gives you rain, make rainbows!

Kindergartners turned a rainy day into rainbows by using their addition skills to earn pieces of the rainbow. They created and built rainbows out of pipe cleaners, Froot Loops, and Play Doh!

## GES Students of the Month

Gunter Elementary is so proud of the March Students of the Month. They all represent who we want our Gunter Tigers to be: respectful, hard-working, and kind. Congratulations to Tess, Mason, Caroline, Suzie, and Rylin.

# PENNIES FOR PATIENTS

Pennies for Patients was a huge success! GMS Student Council collected money for the American Leukemia Society. The final amount collected was \$1677.22. A huge incentive came from Mrs. Inglish, who promised to don a "Purple Mohawk" if they reached at least \$1500, and she made good on that promise. Check out the "new doo" below! The class with the highest "per person" total and winners of the pizza party was Mrs. Loewen's class.

## What's the Matter?

Mrs. Bon's 5th grade students studied various types of matter. The students had to take every day items (balloon, washer, ping pong ball, candle, penny, wooden block) and put them to the test. They used scientific equipment to deduce the mass, physical state, magnetic property, electrical conductivity, solubility, and density. So, what's the matter? Everything is matter!

Mrs. Beaver's GMS Discovery students accepted the challenge to create a "Ring of Pringles".

Each group was given one can of Pringles to create a full ring, and they nailed it! Go out and get a can and try it for yourself :)

Keith Haring is an artist known for colorful, cartoon artworks and certain characters such as crawling babies, barking dogs, and spaceships. He was inspired by graffiti artists, hip hop music and break dancing. Keith is famous for his subway art and murals painted with and for kids. He often gave the profits from the sell of his artwork to children's charities.

Mrs. Bullard's middle school art students created sculptures inspired by the simple forms and bright colors that Keith Haring is known for. The projects were created from cardboard in a 3D format. The GMS Keith Haring gallery is on display in the windows of the library and front office.

## Students Honor GMS Librarian, Mrs. Marr

GMS Principal Chris Dodd and Mrs. Loewen's class presented Kelly Marr, GMS Librarian, with a canvas picture of her reading to the students during one of the weekly library times for the class. This is always a special time for the students to hear a book read, participate in a table activity, and pick out library books, and Mrs. Marr made it so great!

Pictured with Mrs. Marr are K'lee Curtis, Hailey Clark, Alexis Lewis, and Brylie Krapf-Flynn.

# “ROCK CANDY”

Students in Mrs. Morris' 6th grade science class turned an every day candy into rocks... magic? Nope!

1. They cut the Starburst into pieces to represent "sediment."
2. They compacted the "sediment" together to make sedimentary rock.
3. They used heat and pressure from their hands to make metamorphic rock.
4. And finally, put the metamorphic rock in the microwave to simulate the heat deep inside the earth to make magma. Once the magma cooled, it became igneous rock.

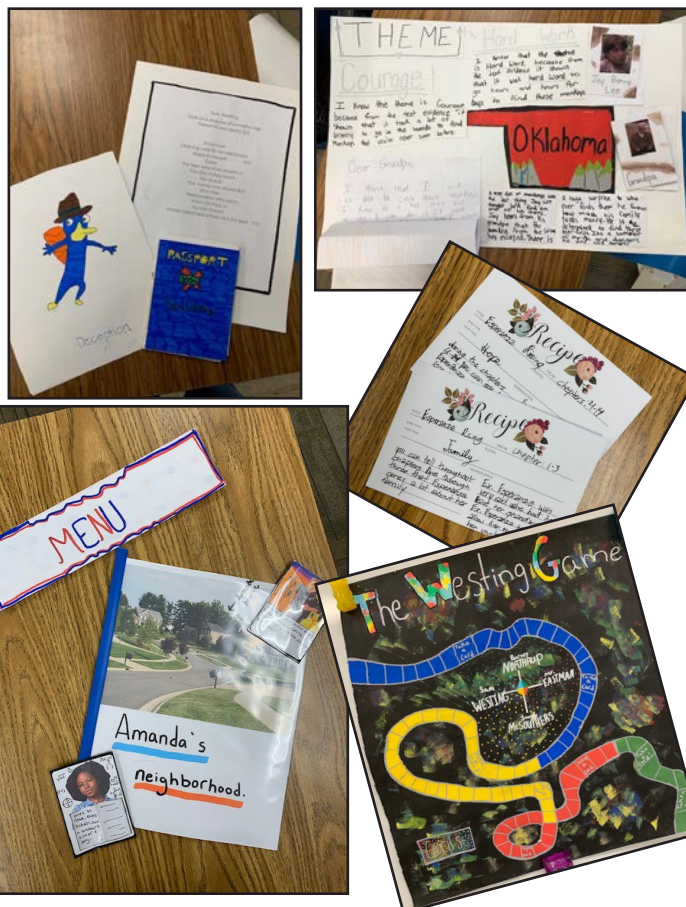

## “MIXTURES AND SOLUTIONS”

Students in Mrs. Bon's 5th grade science class tested several items to see whether they were a mixture or a solution, how solutions might be similar, and how to separate mixtures. Take a peek into their lab and how hard they worked!

## FICTION ELEMENTS

Sixth graders in Mrs. Greene's class completed and presented a multi-genre project to show their knowledge of fiction elements from a novel of their choosing. Students created game boards, menus, recipe cards, travel brochures, and other items to show their understanding of plot, setting, characters and themes.

# ELECTRIFYING

Students in Mrs. Wallis' class were tasked with making a two-room house with working electric lights. They cut up strands of Christmas lights and wired one room with 2 bulbs in a series circuit (see how they are dimmer than the lights in the other room?) and the other room with 3 bulbs in a parallel circuit (see how much brighter they are?). One battery had to power the house (without being moved) and each room had to have a light switch that would control the lights to that room independently of the lights in the other room. They learned about electricity and the differences between series and parallel circuits; and did a phenomenal job!

## REAPING THEIR REWARD!

Mrs. Dodd's students were rewarded with a trip to Scheels and Andretti for passing their AP LIT exam. Congratulations to: Bria Savage, Reya Dawlah, Taylor Boddie, Jacee Childers, Landon Dahle, Beth Gilbreath, Makenna Kincheloe, Sophie Mathers, Sarah Putnicki, Jacob Seiberling, Renatta Vincent, Hailey Wilde, Mary Smith.

## Academic UIL Copy Editing

In the April issue, we reported the Academic UIL placements, however, one event was delayed because the entries were sent out for scoring. We are proud to announce that in Academic UIL Copy Editing Reagan Andres received 2nd place!

## SUTURE PRACTICE

Students in Advanced Animal Science and Livestock Production are putting their "sewing" skills to the test practicing the "running suture".

## DISTRICT 3 FFA CONVENTION

On Wednesday, April 21st, Gunter FFA attended the District 3 FFA Convention. Gunter FFA had 2 candidates complete the officer selection process consisting of an application, interview, test, short speech and popular vote. We are so **EXCITED** to report that **BOTH** of our candidates made the 2021-2022 District 3 officer team! Congratulations to:

Nick Bullard - Sentinel  
Ashtyn Wade - Advisor

# GHS Band and Choir Road Trip Success

## Winter Park Ski Music Festival

Our two musical groups traveled to Winter Park, Colorado for a little fun and competition. Students had several options for enjoying the snow and slopes, and all had a great time. When it came time for competition, both groups came out in true Gunter fashion and received Best in Show and Superior ratings!

## UIL Band Competition - Anna High School

## Texoma Piano Competition

Congratulations to Jackson Rue who placed **FIRST** in the Texoma Piano Competition hosted by Southeastern Oklahoma State University. He will be competing at the **STATE** level on May 12th with the same piece he performed in this competition. We wish him all the luck, but he won't need it!

## GRADUATING TWICE IN TWO YEARS!!

Most GHS students eagerly anticipate the moment they get to walk across the graduation stage and into the world of adulthood, college, or a career. It is the defining moment where they exit the public school system and embark upon the next great thing. They walk across the stage with hopes and dreams of an exciting future. One GHS junior will be carrying something more than hopes and dreams across the graduation stage. Hunter Kruzic will be carrying his Grayson College Welding Certificates. Hunter will actually be graduating from college **before** he graduates from high school! Hunter was able to do this by taking advantage of Grayson College's Dual Credit CTE Welding program. Hunter started working on his welding certificates as a Junior and has been able to finish two different industry certificates that will allow him to immediately find work as a welder after high school graduation in 2022. Grayson College's CTE

programs help Grayson County students receive workforce training and certification before ever leaving high school. Hunter put in dozens of trips to the GC campus in Van Alstyne to achieve this objective. His hard work and dedication to a goal have paid off and he will be walking off the graduation stage and directly into an in-demand career. Please congratulate Hunter when you see him!

## SENIORS GRADUATING WITH ENGINEERING HONORS

We have four seniors graduating with Engineering Honors this year. They have "stuck with it" and taken all of the engineering classes offered at GHS during their high school career. Congratulations to Joseph Cooper, Reya Dawlah, John McDowell and Micah Nevil!

Mrs. Foster said, "I have very much enjoyed having these students for three and four years. When a student sticks with the engineering classes, I know they are serious students and want to learn. The classes are not hard, but they are not an 'easy A' either." Reya Dawlah was the four year student who actually took one more class than the others; one of the classes is no longer offered. Reya was the first student to take an engineering class each year during her high school years. (Plus, she was a guest designer on the Yearbook staff!)

"These students will have great success in their future and I look forward to seeing the amazing things they accomplish." Mrs. Foster added, "I am definitely going to miss them, but luckily my engineering students do tend to stay in touch."

**To: Parents of GISD High School Athletes**  
**From: Gunter ISD Athletic Director, Jake Fieszel**

U.I.L. requires athletes to have the following documents on file with their school district each year.

- 1) UIL Parent and Student Agreement/ Acknowledgment Form not to use Steroids
- 2) UIL Acknowledgment of Rules Form
- 3) Sudden Cardiac Arrest Awareness Form
- 4) Concussion Acknowledgment Form
- 5) Extracurricular Acknowledgment Form
- 6) Drug Testing Acknowledgment Form

Please go online and fill out these forms ASAP if you have not. They are past due. Use this link to go directly to the forms page of our Gunter Athletics: <https://www.gunterisd.org/Page/413> where you will find the link to fill out the online forms. This will allow you to fill out all of the required UIL forms for your daughter/son to participate in the 2021-2022 school year. These forms, along with your child's athletic physical information will be stored in our Rank One Sport+ Health online filing system. This will allow our coaches and athletic trainers to have quick access to any information we may need regarding your child. A printable version of these forms can also be found on the Gunter Athletics Webpage.

Please remember that all incoming 7th, 9th and 11th grade students are required to have a current physical form on file to participate in athletics. If your child does not have a current physical on file, they will need one before they can participate in athletics for the 2021-2022 school year. Physicals will be given on Saturday, May 15th between 11:00 am - 12:00 pm (See instructions below). Students will need their physical form with the Medical History side filled out and signed by a parent or guardian.

GISD has purchased a blanket insurance policy for all athletes in grades 7-12 for the 2021-2022 school year. Please understand that this is a supplemental insurance policy and will not cover the total cost of an injury. Please refer to the Student/Athletic Insurance Guide on the GISD Athletics website for questions regarding how this policy works. If you have any questions, please feel free to contact Coach Fieszel at [jfieszel@gunterisd.org](mailto:jfieszel@gunterisd.org).

---

## Athletic Physicals

All INCOMING 7th, 9th and 11th graders are required to have an updated physical on file to participate in all athletic activities for the 2021-2022 school year. Also, any student coming off an injury that resulted in broken bones, surgery or a hospital visit will need a new physical on file with the school.

Middle school and high school athletes from the Gunter ISD are invited to complete their 2021-2022 sports physicals at Surgery Center of North Texas in Anna.

This event offers free annual pre-participation exams, which are valuable for identifying any underlying conditions and preventable injuries. **All athletes must bring their completed Medical History portion of the Pre-participation Physical Evaluation (PPE) form and have it signed by a Parent/Guardian in order to complete the sports physicals.**

To access and print the PPE form, visit the GISD Athletics website: [www.gunterisd.org/athletics](http://www.gunterisd.org/athletics)

**WHEN:** Saturday, May 15th, 2021

**DEDICATED GUNTER TIME SLOT:** 11:00am-12:00pm

**WHERE:** Surgery Center of North Texas

330 Standridge Blvd, Anna, Texas 75409

**COST:** Free

**\*\*Bonus:** Free t-shirt for every athlete completing their physical!

Surgery Center of North Texas is location in Anna. It is a new facility and sometimes when entering the address to your maps it will take you to the incorrect location, so please follow these instructions.

- If coming south bound from Sherman on highway 75 take White St. exit.

- If coming north bound from McKinney on highway 75 take the 455 (love's Travel Stop) exit.

**\*\*It is located on the west side of the highway.**
