THE ONLINE NEWSLETTER FOR GUNTER ISD

Homecoming 2020

With all of the unprecedented things happening in 2020, it was nice to have just a *little bit of normalcy* with Homecoming. Even though we had to cancel the tailgate to keep crowds down, we still came together for a community pep rally. We socially distanced ourselves in the stands and on the track and gave our Tigers the best pep rally possible!

Because the game was canceled by Blue Ridge due to COVID19, we crowned our King and Queen at the pep rally. Congratulations to Aidan McDowell and Mary Smith!

We would like to thank the cheerleaders, Gunter Tiger Fan Club, GHS Floral, Davis and Miller Fireworks, and everyone else who had anything to do with the success of the evening.

SUPERINTENDENT'S HONOR ROLL

GES Students
Meredith Leonard
Kenzie Rizzo

GMS Students
Christy Grayard
Braeden McDaniel

GHS Students
Brody McDonald
Bria Savage

It was our pleasure to recognize six students for receiving the Fall Superintendent's Honor Roll during the October board meeting. Each student was individually recognized and received a certificate. Braeden McDaniel was unable to attend the meeting due to prior engagements, and is pictured separately.

These students were chosen by their teachers and principal for being outstanding in the classroom and showing good character. They truly care about their school, friends and teachers. Good grades are important, but the extra effort to make personal connections is what makes these students stand out.

These students will also have a special celebration at the end of the year.

GT STRONG FACULTY AWARD

Elementary:
Diane Fielding
Stacia Graves

Working in a school is certainly one of the most rewarding careers, but it's not always easy... and 2020 has made it much more challenging! We were honored to recognize six faculty members at the board meeting who have gone above and beyond their regular duties to make 2020 the best it can possibly be.

Grateful and Thankful!

Special thanks to Terry Thomas for providing hamburgers for the staff professional development lunch on Monday, 10/26. The burgers were tasty and hit the spot! It was greatly appreciated!

The GHS PTO and ALCON Services treated the high school staff to a wonderful lunch to officially ring in Fall.

Thank you to our fantastic Gunter Elementary PTO for spoiling our teachers with A "Moovalous" Chick Fil A lunch!!

Painting Smiles

When the general manager at Sonic, Shawn Deckers, asked Jayden to do something special for their Trunk-or-Treat event, of course, she was all in. The Sonic crew shared their ideas and she made it happen. Jayden had done minion themed birthday party decorations for a manager's son's birthday party a few years back, as well as a few paintings for close friends. She had never done anything like this before, and while it was out of her element, she spent every ounce of time working on the project.

It took nearly two months to complete, and she learned so much throughout the process. Jayden said, "giving back and making the community happy is the greatest repayment I could ask for in doing this. I hope this shines some light in this tiny town of ours amidst the madness of the pandemic this holiday season."

Jayden not only painted superhero characters for children to enjoy at the Trunk or Treat event, she painted smiles on each one of their faces. We are proud to call her a Gunter Tiger!

NOVEMBER 13, 2020

..... should be EVERY day!

#1

Gunter ISD has taken over the #1 spot in *Best School Districts in Grayson County* per the Niche rankings. If you take a peek inside those ratings, our cafeterias got an A+ rating, which is certainly well deserved!

In an annual meeting with the Grayson College President, we learned that our dual credit students are doing AMAZING! Out of the 22 school districts that Grayson College serves with Dual Credit, Gunter High School makes up 11% of their total Dual Credit enrollment. We are 2nd only to Sherman in the # of students taking Dual Credit courses (139 out of 241 students in 10th-12th grade... WOW!).

Take a peek into our classrooms!

There is no better way to practice sight words than shaving cream! Good clean fun happening in Mrs. Keel's classroom :)

Mrs. Price's pre-k students created Brown Bear books, and they turned out fantastic!

Science, Technology, Engineering, Math

Students in Mrs. Pelzel's science and social studies class were challenged to make a boat that would float for 10 seconds while holding 25 pennies. They had limits to certain supplies, but worked hard as a team with their creations. It was a fun day with STEM!

Playing is Learning

Pre-K students worked on their engineering skills while building bridges and other things with the building blocks.

"Children need the freedom and time to play.
Play is not a luxury. Play is a necessity."

during the first nine weeks of school!

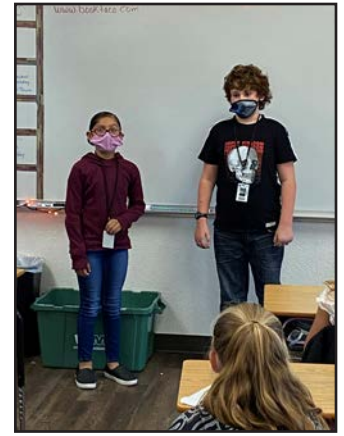

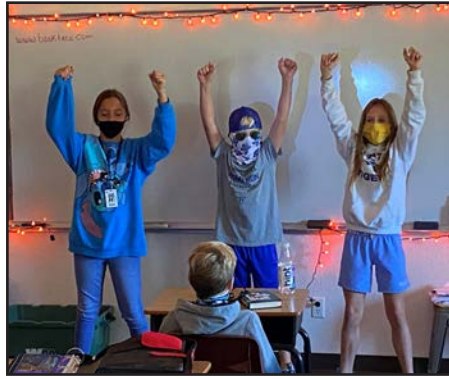

Great work students! Keep it up!

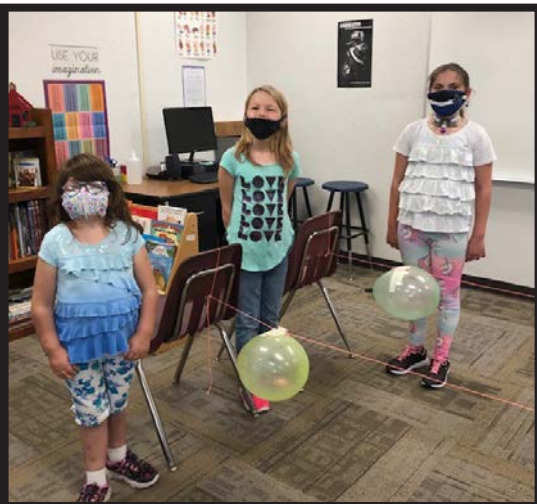

STOP, COLLABORATE, AND LISTEN!

Fifth grade kicked it old school in Mrs. Schroeter's class! Each group of students created a rap about one of their vocabulary words. The groups then performed the raps for the class to help the students master their list of words.

Tasty Science

6th graders got some hands-on experience with physical and chemical changes during a S'mores lab in Mrs. Morris' class. A few physical changes they observed while making their S'mores were melting chocolate and breaking graham crackers. They also observed chemical changes when they roasted the marshmallows. And, what better way to reinforce what they learned than by eating their results to discover the physical and chemical changes involved in chewing and digesting the tasty experiment?

Gravity, Force, Motion

These masked middle schoolers have been learning about gravity, force, and motion. Hailey, K'lee, and Brylie did an experiment with Balloon Rockets to see if the heavier or lighter balloon was faster. Ask them what their conclusion was next time you see them!

The GMS students showed off their musical talent during their Fall Premier Concert. With all of the negativity of COVID, watching them grow in their musical talent gives us something to smile about. The 7th and 8th grade band performed "Creepy Crawly" as one of their songs to get us ready for Halloween. Congratulations to Mr. Kennedy and Mrs. Katz and the students on a great evening!

Halloween Fun (and learning too)!

It is so important to expand your vocabulary, and our 5th grade students are doing just that! Each student picked a vocabulary word, created a poster and wore a costume that represented the word for the AWESOME HALLOWEEN VOCABULARY PARADE!

The 6th-8th grade students lined the parking lot, and the 5th graders paraded through wearing their word, collecting a little candy and spreading knowledge.

* The teachers (and even the principal) joined in on the fun!

GMS Art Pumpkin Decorating Contest

The GMS library was all spruced up for Halloween thanks to Mrs. Bullard's art students. The students decorated pumpkins to enter into the Decorated Pumpkin Contest. We had some really great entries to judge!

National Hispanic Recognition Program Winner

MATTHEW AVENDANO

College Board's National Recognition Programs create pathways to college for students from underserved communities by awarding them academic honors and connecting them with universities across the country. To be eligible for these programs students must score in the top 2.5% of students taking the PSAT/NMSQT during their 11th grade year. Matthew's performance on his Junior year PSAT placed him in the top 2.5% of test takers in the nation and thus made him eligible for participation in College Board's Recognition programs. He was recently named a winner of the National Hispanic Recognition Program. Please congratulate him the next time you see him.

National Rural & Small Town Recognition Program Winner

LANDON DAHLE

He was recently named a winner of the National Rural & Small Town Recognition Program. Please congratulate him the next time you see him.

FFA Activities

Junior FFA held their first meeting in October and had a great turnout! The students brought their own pumpkins to the meeting to paint. Each student was set up with their own "creative area" equipped with a tarp to sit on and a palette of colors to apply to their pumpkins. They turned out great! Here's a small sample to look at :)

Floral & Horticulture

Horticulture students harvested leafy greens for salads for the GHS cafe to serve in the lunchroom. Spinach, lettuce and Swiss chard from their fall garden graced the plates of many students!

Floral students created homecoming court bouquets, boutonnieres, queen flowers and even flowers for the "Royal Parade Car" that held our King & Queen. They also sold and created the most beautiful mums at GSD!

Floral 1 & 2 students designed and built the float for the FFA students to ride on in the parade. It was AWESOME!!

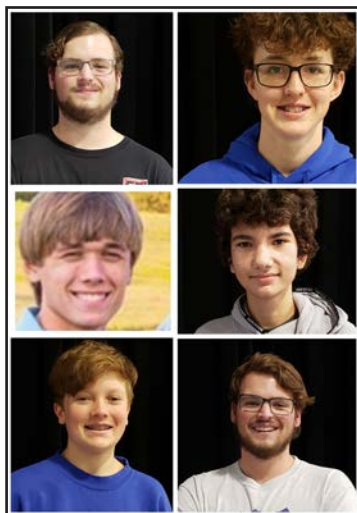

Fall Choir Concert

On Monday, October 26th, Gunter Middle School and High School Choirs presented their Fall Concert, directed by Ms. Deibert, and featuring the talents of 6th Grade Choir, 7th & 8th Grade Combined

Choir, and Chamber Choir. Additionally, Garrett Vogel serenaded the audience on his guitar, and Jackson Rue mesmerized the audience with his rendition of "Dizzy Fingers". The Choir Booster Club was also hard at work with the bake sale and silent auction. Overall, it was a wonderful evening, filled with beautiful music! Please mark your calendars for the Middle and High School Winter Choir Concert on Thursday, December 3 at 7:00PM in the GHS Commons. See you there!

REGIONAL CHOIR COMPETITION

Congratulations to these GHS Choir members who made Region Choir and will be advancing to the Pre-Area round! Due to COVID restrictions, competition this year is all done online where the students must log into a website, record, and submit. They had to learn a "new way" of doing things, and our students did great!
