Tiger Times Student(s) of the Month for June 2016

by Chris Dodd, GHS Principal

Selecting a student of the month for June was an easy choice. In fact it was so easy we decided to go with two! This dynamic duo literally earned their place of recognition over a four year period. This month we highlight our top two graduating seniors for 2016, Abigail Bon and Katey Campbell. Their story deserves to be told. So I let them tell it. Enjoy the Q&A session with our Valedictorian and Salutatorian for 2016.

Reflect on being one of the highest ranking graduates:

Abigail Bon (AB): I would say that it was a long-term goal beginning in about the 7th grade. I knew that I was pretty smart, and my parents really pushed me to keep my grades up, and once I got into high school and realized that I was number one after the first semester, I had to work really hard to keep that spot.

Katey Campbell (KC): Being the Salutatorian of my class was not a long-term goal of mine; it kind of just happened. Once I knew this was something I could achieve, however, I did my best to try and keep that spot all throughout high school.

Describe the process of selecting your destination for the next four years:

AB: I am going to Texas A&M University in the fall of 2016, but I had actually wanted to go to Baylor until about a year ago. I was shadowing a surgeon, and he was asking me where I wanted to go which I answered and said I wanted to attend Baylor. He definitely tried to get me to pick a different university since Baylor is so expensive.

He told me to look into A&M because it has a good Pre-Med program, and I looked into the school and fell in love with it.

KC: I ultimately decided on going to Oklahoma State University my junior year. I chose this college because of their well-known Pre-Vet program. I knew this would be the best choice in preparing me for my future career. Also, my parents both went to OSU, and my sister, Rachel, will be a senior there next year. The deciding factor, though, was definitely the OSU Veterinary School and Pre-Vet program.

This answer will really give us a feel for who you are - Dogs or Cats?

AB: I am definitely a dog person because I don't really like most cats once they have grown out of the kitten stage...

KC: I would have to say dogs because the only cats I've ever had ran away from me, lol.

Who pushes you to succeed?

AB: My greatest influences would have to be my parents. They have always been there for me, have strengthened my relationship with God and have always pushed me to do my best in everything.

KC: My parents are the reason I have been so motivated in life to constantly

improve in everything I do. They have given me all the opportunities in life I could ever ask for and are always my number one supporters in everything I do. In return, I just want to make them proud of their daughter.

What will you miss the most at Gunter High School?

AB: I'm going to miss the "small town" community we have where everyone knows everyone and is willing to help you out.

KC: What I will miss most about GHS is the class I have had the privilege of growing up with. There are so many great people in my grade who I have made some unforgettable memories with, and I know I am definitely going to miss them the most.

What is tops on your Bucket list?

AB: Once I become a successful surgeon, a dream of mine is to take part in the "Doctors Without Borders" program, helping out sick and injured people in third-world countries and all around the world.

KC: Something I want to do in life is one day have my passport completely filled. I want to travel the world and see everything worth visiting, like the Eiffel Tower, the Great Wall of China, the Big Ben, and more!

Ryan Gosling or Ryan Reynolds?

AB: That's a hard one but probably Ryan Reynolds - Deadpool was amazing.

KC: This is a tough one, but I would have to say Ryan Reynolds because Deadpool is one of my favorite movies.

Share your mantra:

AB: I always live life by my favorite Bible verse which says, "But those who trust in the Lord will renew their strength..." This just always reminds me to trust Him, and everything will be okay.

KC: Carpe Diem (Seize the Day), which also means "make the most of the present time and give little thought to the future." If you've ever seen The Dead Poet's Society, you'd know what I'm talking about!

Your top 'fist pump' moment in high school:

AB: My greatest success would definitely be being the valedictorian for the class of 2016.

KC: My greatest success to this date would probably be when I was named the overall Female A+ Athlete of the Year by KXII News. It's amazing that succeeding in both sports and school was something that I could be recognized for, and I'm very grateful to receive such an honor.

Talk about that 'failure' moment and the long term outcome:

AB: I would say my greatest failure would be not being more outgoing (in High School). I am a little shy, and if I were more outgoing, I could have met new people and made more memories, but it is something I can work on when I get to College Station.

KC: My biggest failure was probably losing to Brock in volleyball the second round of playoffs two years in a row. From experiencing those losses, it pushed me and the rest of the team to believe that we had the willpower and skill to defeat Brock and move on to the third round, we just had to believe in ourselves. We didn't want to be just another group of seniors who would have to say goodbye to the game of volleyball because of Brock. Our senior year, we finally defeated them like we should have all along, and we moved on to the next round. It was the best day of my volleyball career!

Who is your celebrity twin?

AB: Dr. Meredith Grey from Grey's Anatomy because she is an amazing surgeon, and that's what I want to be.

KC: The celebrity I most relate to is Hannah Montana. No, I can't sing to save my life. However, I'm a nerd when it comes to school and I'm an all-state athlete on the court, so I guess you can say it's the best of both worlds.

Give a final word to the next generation of Gunter Tigers:

AB: I would tell them to cherish every moment they have with their friends and family here in Gunter because before they know it they are going to be graduating high school and leaving Gunter to start new things in life.

KC: My advice would be to enjoy your time in high school and make it last. Spend time with everyone around you, both friends and family, and cherish the moments you have together. Also, always try your best in everything you do and know that you can never stop improving! You only go through high school once in your life (or at least I hope), so make the best of it!

PARK BUILD

From nothing to well, WOW! That's what happened in Gunter this past month. This was the culmination of a long range goal of the Gunter Park Foundation. After raising \$215,000 to make this a reality, plans were put into action.

There were hundreds of volunteers who made this happen. A website allowed community members to sign up to work shifts during the week,

and many signed up. It was understood that the build would happen "rain or shine"... and it rained. And it rained, and rained, and rained. People donned their mud boots, old tennis shoes, and old clothes and worked in the sloppy conditions. Circumstances definitely made it more challenging, but did not stop our community!

Gunter students worked at the park May 17th - 20th. Our students proved to be an asset to this project in all areas. Those who were able, ran power tools like a pro, the talented artists put their skills to work painting, and others showed their patience and loving demeanor while they provided care for our younger students. We also had students working in the kitchen to help provide meals for the people who worked daily on the projects. Gunter ISD declared May 20th "Park Build Day" and called off school. The staff either worked on the building, painting, or were involved in child care. Volunteering gave people the opportunity to meet people they might not have otherwise met, which is one more way the park has brought people together.

Finally, on May 24th, the community came together to celebrate the Grand Opening of our new park. The elementary school was packed as we thanked so many for making this possible. Thank you to the Gunter Park Foundation and the many, many volunteers that it took to make this a reality.

As you enter the park, please take notice of the ceramic quilt. This was built in honor of Jane Robinson.

A generous donation was made to the park foundation in her honor. This park, like a quilt, was pieced together with love, and we hope you, the community, will continue to be the stitches that hold it together to keep it beautiful!

The smiles and laughter heard here daily are a firm confirmation that the kids in this small town will love and enjoy this park for many years to come!

From **G** Tiger to **T_B** Tomcat

We are feeling a little “blue” knowing that Mrs. McCarty will be wearing orange and black. Although we don’t want her to go, we wish her the best of luck in her new position at Tom Bean ISD. The Tiger family will miss you very much!

THANK YOU!

The teachers and staff of GISD would like to thank all of the parents, businesses, and community members who brought gifts, food, surprises, and words of encouragement during Teacher Appreciation Week. We truly were touched by all of your acts of kindness!

Retirement

Sad goodbyes, happy futures...

(Above) **Nelma Phillips**

After 16 years at Gunter High School, Nelma Phillips will be retiring. She was surprised with a candy bar story, a cake, and a treasure chest full of gifts and gift cards from the staff at GHS. She has been a blessing to us with her calm and peaceful manner for so many years. We hope her retirement years are full of happiness, laughter, grandkids, and above all, rest! We love you, Mrs. Phillips.

(Left) **Ruth Ann Bowen**

Teachers lined the door, and students gathered in the cafeteria to surprise a beloved teacher who is retiring at the elementary school. Every student and teacher at GES came together to show Mrs. Ruth Ann Bowen how much she is loved and to let her know how much she will be missed next year.

Shirts were made in her honor and worn by each teacher with Mrs. Bowen’s favorite comment, “You expect me to remember that?”

The staff at GES presented her with a rocker for her retirement years. After watching a slide show of “thank yous,” tears of joy from the memories, and tears of sadness fell from many faces, but when the year is over, we wish nothing but happy days for Mrs. Bowen.

... Yes, Mrs. Bowen, we expect you WILL remember this!

The 1st grade worked hard learning their lines for their musical “Wing It” and it showed on performance night! The play has a lesson to learn about trying things that might scare you. With the help of family and friends, each little bird was able to leave the nest and try something new and conquer their fears.

Birthday Book Club Celebration!

Students who are part of the Birthday Book Club enjoyed a celebration at the end of the year. If you are interested in your child being part of the birthday book club, please contact the elementary school for more information.

LEARNING OR PLAYING GAMES? Well, Mrs. Pelzel’s students are doing BOTH. They have designed their own math games from the concepts they have been learning. They spent this day playing each other’s games.

FUN DAY @ GES

They've learned math, reading, English, spelling, history, science, communication, and so much more. The STAAR test is over! So..... what's left? It's time to "learn" to have fun! The annual GES FUN DAY is held rain or shine. This year, the weatherman gave us both, so we had some inside activities and some outside activities. It didn't seem to matter where the kids were, they just had fun.

Elementary Awards Assembly

It was an exciting last day of school for our elementary students! The annual awards assembly was held, and we were able to recognize so many students for their hard work throughout the year. Mrs. Arrington thanked the PTO Board and parents for supporting the teachers in many ways. The GES students have worked hard raising money for the Gunter Volunteer Fire Department, and was able to award a check for \$1,675.91.

The staff at GES was also recognized. GISD awards pins for every 5 years an employee is with the district. Five staff members were recognized, Diane Fielding (5), Amy Reed (15), Heather Hale (15), Glenna Vest (20), Jackie Mahana (20). Finally, the staff voted, and the GES Teacher of the Year, Mia Rossi, was announced! She does so much for her students. Mia is an amazing person with an amazing heart. Congratulations to Mrs. Rossi and all of the award recipients.

(Right) Elementary Teacher of the Year: Mia Rossi, Structured Teaching Classroom Teacher (Below) Good luck to the 4th grade class who will be moving on to the middle school next year!

Way to Go!

ESL Coordinator, Mrs. Seay, was given a GIFT grant back in the fall to take the ESL kids (grades 2-6) to the Meyerson Symphony. The students had an amazing experience while they listened to music written by composers from Mexico and South America. Thank you, GIFT, for allowing our students to experience something they might not have otherwise been able to do.

Food always tastes better in the great outdoors! The 4th grade class had their annual "Tin Can Cookout" and cooked up a yummy treat!

MINUTE TO WIN IT

2nd Grade - "Minute to Win It" game competition. Moving cookies down your face without touching it is harder than you think! Cup stacking isn't so easy either :)

Come celebrate our independence for a fun filled evening.

“Eagle Eyes” on Eaglets

Lorenzo Rangel and Bo Hooten are pictured with Freedom and Liberty and their mother, The First Lady. Lorenzo and Bo and the rest of the STC Class at GMS have been watching the eagles at the U.S. National Arboretum in Washington D.C. on the Live Eagle Cameras. The class also participated in a contest where the eaglets names were chosen.

The eagles, Mr. President and The First Lady, two eaglets hatched at the end of March and we have been able to watch them and check their progress throughout the school day at www.dceaglecam.org.

GMS Student Council members had fun on their field trip to the Dallas Aquarium.

7th Grade Trip to Austin

Every year at the end of the school year, our 7th graders board a bus early in the morning and head to Austin, Texas. They spend the day taking in all of the historical and governmental attractions. Once they’ve seen all they can see, they board the bus and ride back home to Gunter. The day is long, but so much fun! This is a trip they will remember for a lifetime.

5th Grade at the Park

Take a look at what our talented 8th graders did today. As a reward for good behavior, Wendy Osburn gave them a painting lesson!

GMS Flat Stanley Travels the U.S.

A couple of Flat Stanleys from GMS ended up traveling the country and having a brush with fame:

Fifth grader Trent Carr's Flat Stanley recently made a trip to Fayetteville, Arkansas to hang out with some of the Razorback football players who are headed to the NFL next year.

Flat Stanley is in the middle (look down) pictured with (left to right):

- Hunter Henry: Tight End from Little Rock, Arkansas. Drafted by the San Diego Chargers in the 2nd Round of the 2016 NFL Draft
- Austin Allen: Named Starting Quarterback for the 2016 Season, Junior, from Fayetteville, AR.
- Brooks Ellis: 4 year starting Linebacker, from Fayetteville, Arkansas.
- Brandon Allen: Quarterback from Fayetteville, Arkansas. Drafted by the Jacksonville Jaguars in the 2016 NFL Draft.
- Jonathan Williams (J-Will): Running back from Allen, Texas. Drafted by the Buffalo Bills in the 2016 NFL Draft.

And 5th grader Nolan Backschies' Flat Stanley ended up spending time with country music duo, Dan and Shay on the set of Good Morning America in New York City!

This is such a fun project for our students to see where their Flat Stanley goes. Many travel afar, and through their travels, the students learn about different places.

What an exciting adventure!

Middle School Awards Assembly

The last day of school brought excitement to the Event Center once it was filled with GMS students and parents. The annual awards assembly was held, and the students sat in anticipation to find out who would receive awards. Mrs. McCarty thanked the PTO Board and parents for supporting the teachers in so many ways throughout the year. Middle school students have worked hard raising money for the Gunter Volunteer Fire Department, and was able to award a check for \$492.38.

The staff at GMS was also recognized. GISD awards pins for every 5 years an employee is with the district. One staff member was awarded a pin for serving 25 YEARS with the district; Mrs. Debbie Murphy! We are so glad she chose Gunter to be her teaching home. The students love her! Finally, the staff voted, and the GMS Teacher of the Year, Jennie Bullard, was announced! Mrs. Bullard teaches English and is involved in many extra-curricular events. She goes above and beyond to make learning fun for her students, and always has a pleasant smile on her face.

Great Job!

Project: Cubed Puzzles

Engineering students were given 27 cubes to make a puzzle. The puzzle requirement was that it must be in a 3x3 format. Pictured is Karen Mauldin's puzzle with several students trying to figure it out.

ENGINEERING

Project: Trebuchet

Students went above and beyond in this project. They were tasked to build a trebuchet. As defined by Webster, a trebuchet is a medieval military engine for hurling heavy missiles (as rocks). The students built their trebuchet as groups and delivered their project to the HS parking lot on the due date. The students did an amazing job!

(Above) A fun filled day of learning at Perot Museum for our Anatomy & Physiology and Calculus students.

(Left) The Spanish classes presented Spanish musical culture to our student body. Through dancing and singing, they have shown that our foreign language classes learn more than words.

Academic Banquet

This night is set aside to honor our top scholars for diligently working to be at the top of their class. The evening opened with the Gunter Blues Band, James Riddle (drums), Chris Jackson (Baritone), Josh Pierce (Sax), Joseph Bremer (Trumpet) and Mr. Jake Parker. They were awesome!

The guest speaker, Lynn Reed, inspired the students to achieve success through persistence as he listed the following points:

- Nothing can replace persistence; not education, not talent.
- Success doesn't come without colossal failures - get back up and attack your dreams.
- Achieve your dreams through accountability with help from key people in your life.
- Write your plans in sand so that you're ready for change.
- And keep your spirit nourished.

Students honored at this banquet included:

SENIORS

Seniors honor one teacher during this reception. Pictured above are the seniors with the teachers who were honored.

"I do the very best I know how, the very best I can, and I mean to keep on doing so until the end."

— Abraham Lincoln

FFA Banquet

The Annual FFA Banquet highlighted the greatness of our FFA program. We have an awesome group of students who have represented Gunter very well this year. Not only were they successful in the stock shows with their animals, the group had success in judging competitions as well. Congratulations on your 2015-16 achievements.

Dr. Jill Siler and Charlotte Ruffle were given Honorary memberships to the FFA organization for their dedication to the group.

GMS & GHS SPRING BAND CONCERT

The spring band concert proved once more that our band loves to entertain! The 5th and 6th grade band performed first, followed by the middle school band, and finally the high school band. The songs were favorites of many! During the show, several awards were given by Mr. Bremer to deserving band members. The show was a great success, congratulations to all of the band members.

GHS AWARDS ASSEMBLY

The senior class was awarded \$1,984,700 in scholarships!

The annual GHS Awards Assembly was held in the event center. The number of pictures on these pages do not, in any way, represent the amount of awards that were given to our seniors and underclassmen.

Awards that were given to students included Principal's Honor Roll, A Honor Roll, A/B Honor Roll, Perfect Attendance, Patriotic Award, and several Departmental Awards. We also recognized Tiger Times Students of the Month and Superintendent Honor Roll recipients.

The GHS Teacher of the Year was named at the end of the ceremony. We are happy to announce that Mrs. Nelma Phillips received that award.

Biology Dissection

The biology students were busy learning about the different systems and organs in class this past 9 weeks. Who knows? Maybe we have a future veterinarian in this class! Although the students did a great job on the dissection, I chose to censor the picture showing the graphic details :)

NO LIMITS

We are excited to announce that KTEN has produced a story on our own, Tyler Buysse. Tyler exemplifies the attitude of “no limits” and is an inspiration to us all. If you did not get a chance to see the stories, follow the links below.

A representative from the Paralympics organization was at the meet to watch Tyler. The Paralympic Games are right after the Olympics in Brazil this summer. Tyler will compete in early summer with a chance to earn a bid to Paralympic Trials (the equivalent to Olympic Trials) in North Carolina in June/July. We are looking forward to cheering Tyler on through this exciting event.

GREAT ACCOMPLISHMENT!

State Track Qualifiers, Tyler Buysse and Edgar Fuentes, load up and head to Austin.

Congratulations to both boys for being STATE contenders!

Congratulations, Katey Campbell, for being selected as KXII's A+ Scholar Athlete! Katey Campbell was awarded the News 12 - KXII A+ Female Athlete of the Year. She was presented with \$2000 scholarship sponsored by Texoma Chevy Dealers. Katey was nominated for this award by the GHS Athletic Department.

SPRING ATHLETIC BANQUET

Parents, coaches, teachers, and students came together to honor the spring athletes. Our spring teams definitely had something to celebrate. Each coach honored their athletes by recognizing them for their contributions to the team. Gunter has a long tradition of excellence, and we look forward to seeing the returning players next year!

The Gunter Tiger Fan Club awarded two \$1000 scholarships at the Athletic Banquet on May 9th. The deserving recipients: Jake Whittiker and Connor Clement.

Parents:

This letter is written to inform you of football equipment that will be made available for you to purchase for the upcoming football season. Please note that Gunter Football will not be providing T-shirts or shorts this year for workout. Each player must purchase or bring their own for workout. We are making items available to purchase on an on-line store. Please visit teamwsg.com and click on team pages to access the store. The access code is tigers. The store will run from 5/26-6/10. I want to emphasize that the prices on this store are going to be much cheaper than retail. If you choose not to purchase items off the store then please make sure that your son has a blue, black or white t-shirt and shorts to workout in. We will wash clothing at the field house each day.

All football cleats must be BLUE, BLACK, WHITE or a combination of these colors. If they are not these colors then they will not be allowed for game use. Please purchase football cleats: Not soccer or any other type of playing cleat.

Please reference our specifications sheet for details on items that we will provide and any upgrades that you may wish to purchase for your athlete.

All medical equipment will be provided by Gunter ISD. You may purchase additional items if you feel they are necessary.

Please contact me if you have any questions about equipment for the upcoming football season.

Sincerely,

Jake Fieszal

Gunter ISD Head Football Coach

Summer Reading 2016

How is Gunter Elementary Promoting Summer Reading?

Gunter Elementary encourages our students to read during the summer months. Our Superhero Summer Reading Program is designed to assist students with books they can check out and read. Participation is voluntary but we would love for all of our superheroes, both big and small, to join us!

The Elementary Library will be open on the following Friday's:

June 10th 9:00-10:00 & 6:00 – 7:00 June 24th 9:00-10:00 & 6:00-7:00
July 8th 9:00-10:00 & 6:00-7:00 July 22nd 6:00-6:30

On July 22nd we will only meet from 6:00-6:30p.m. for the final drawing.

Students, accompanied by an adult, are welcome to visit the library and check out books. Students cannot be dropped off and must be accompanied by an adult at all times. Teachers will give students their reading levels prior to summer break. We encourage students to check out books on their reading level with some flexibility. The Sherman Public Library offers free library cards enabling students to not only check out books but also download eBooks.

How is the information being communicated to parents and students?

Teachers, along with Mrs. Arrington, have announced and discussed the program with our students. Teachers have suggested books titles, authors and series. To the right, you will find a Summer Reading Challenge Contract. Information about the Gunter Elementary Summer Reading Program can also be found on our website www.gunterisd.org.

What are the grade level requirements?

- Our Kindergarten-2nd grade students are asked to read as many books as they would like! For every 5 books read, your student will receive a ticket to be put in a drawing for a Kindle at the conclusion of the program.
- 3rd – 4th students are encouraged to read as many chapter books as they would like to read, too. We ask students to choose their favorite book, read and complete a project of their choice such as a painting, drawing, sculpture, diorama, etc. Be creative! The projects will be displayed in the library. Since our 3rd and 4th graders are reading chapter books, they will receive a ticket for every 2 books read which will also be placed in our Kindle drawing. Kindergarten, 1st and 2nd graders are welcome to create a project, too. Projects will be due July 22nd.

What will students receive for participating in the Summer Reading Program?

Students who participate are invited to the Gunter Elementary School Library on the dates and times listed above. In keeping with our Superhero theme; bi-weekly rewards will include a variety of Superhero themed prizes, each participant will receive a shirt on July 22nd and one lucky reader will win a Kindle.

How will students keep track of what they read?

Parents will document the books read on your student's reading log. Each participant will be required to return their reading log prior to the drawings. Parents must sign the student's reading log. Extra reading logs can be found on our website www.gunterisd.org.

Updates and Reminders

If you haven't done so already, please 'like' our Facebook page Gunter Independent School District. Our Facebook page is frequently updated and is a great way to stay informed.

Parent and Student Summer Reading Challenge Contract

The GES Library will be open on the following Friday's:

- June 10th – 9:00-10:00 & 6:00 – 7:00
- June 24th – 9:00-10:00 & 6:00 – 7:00
- July 8th – 9:00-10:00 & 6:00 – 7:00

Final Meeting:

- July 22nd 6:00 – 6:30 pm

We will meet for the final Kindle drawing on this day and celebrate your child's reading accomplishment. All Gunter Elementary library books must be returned at this time.

Every student participating will receive a t-shirt as well as weekly prizes.

We commit to:

- ▶ Reading appropriate level books as designated by student's classroom teacher.

ART AND PHOTOGRAPHY SUMMER CAMPS!
visit www.flyhippiephotography.com for details and registration!

ART CAMPS (ages 3-5) (ages 6-10)

We will be incorporating art, science, games, fun and laughter to have a week of messy, fun, educational creativity!

DIGITAL PHOTOGRAPHY CAMPS (ages 11-14) (ages 15+)

Learn to shoot on manual, see light, composition, will be doing some very creative shoots and touching on some alternative processes. Fun, inspiring and creative camp!

ALTERNATIVE PROCESS CAMPS (ages 15+)

Alternative process refers to any non-traditional or non-commercial photographic printing process. We will be exploring some of the historic ways of creating hands-on, one of a kind art with photography. This includes painting, chemistry and some mind blowing processes! One of the most unique art camps you can attend!

PINHOLE CAMPS (ages 15+)

Where did photography begin? Well, you'll fully understand that after this camp! We will be going back though the camera obscura times! You'll experience being IN a camera, make your own camera, develop your own photos (taken with the camera you'll make) and we'll learn some creative processes to do to those photos. This is an AMAZING camp for the person who wants to TRULY understand photography!

We also have **one-day workshops** for ages 15+ that will teach you how to shoot on manual mode with your DSLR!
