A report on our schools' activities and people for Bay Village residents

## What is One Rocket Nation?

**Staff members collaborate to identify foundational values in precursor to upcoming strategic planning**

*Staff members collaborated in groups this year to start identifying important foundational values, and the words that represent them, for our district. They also brainstormed about future skills students will need, using as a touchstone the year our kindergartners graduate -- 2030.*

**W**ords are powerful. They represent ideas, emotions and knowledge. They represent values. In a fast-changing society that presents new challenges continuously, words can remind us of our priorities and the foundational values that ground us.

### How we make our values our priorities

When we can agree on those values, we can effectively uphold them. The Bay Village City School District staff, for the past school year, has been meeting in groups to discuss and identify the words that represent our values. Who are we? Which values represent us? What is "One Rocket Nation?"

Teachers, aides, bus drivers, custodians, administrators, secretaries and board members, as well as PTA leaders and some students, have participated in group exercises that identify and rank our most important values. Rich conversations have

taken place, with everyone's voice included and given equal weight. The results will inform an upcoming strategic planning process that will involve community members as well as school staff and parents.

Values identified as central to who we are will help set priorities and plans moving forward. Top-ranked values of staff members were: **Respect, Community, High Expectations, Safety, Kindness, Family, Inclusivity, Serving and Empowerment.**

### 2030 Skills

In addition to foundational values, staff members researched and brainstormed the Power Competencies that students would need to have in an uncertain future. Rather than focus on specific skills, like coding or writing, lists of broad attributes were developed. **Perseverance**, for example, was a top-named competency. **Problem-solving, Communication, Creativity, Empathy, Adaptability and Self-Reliance** were more.

These attributes are considered skills, rather than character traits, because they can be learned and practiced. We consider them key to the success of our students, even for kindergartners who won't graduate until 2030.

### What's Next?

One district goal is to include community members in a similar type of engagement to help guide the future direction of our schools. While state standards and testing continue to steer academic requirements for our students, we know that there is so much more needed by children. Recognizing and planning to meet the social, emotional, physical and mental health needs of students may go beyond academic requirements, but it is critical to learning and student success. The wisdom and resources of community members will be tapped through focus groups, surveys and other methods to be as representative of community members as possible. More information on the process will be released this fall.

## Board of Education News

### Additional staff development day added to calendar – focus to be on school safety

Our Bay Village Board of Education has authorized a calendar modification for the 2019-2020 school year so that the district can conduct a staff safety and security training day (without students in attendance) on Friday, August 30.

The First Day of School for students remains Thursday, August 15. The additional day off school on Friday, August 30, gives families an extra-long Labor Day Weekend.

### Board honors Aqua Girls, champions at Global Destination Imagination competition

From left, front - Team manager Michele Moore, Eliza Aleksandrovic, Caroline Fowles, Audrey Ray, Team Manager Kim Ray; from left, back - Grace Chilton, Olivia Reed, Ava Ransom, and Patty Yuhas. Student advisor not pictured is Marian Harmount.

Aqua Girls won Global Finals at Destination Imagination and were honored at a recent school board meeting. The girls competed in an arena (held in Kansas City, MO) that included more than 1,400 teams from 15 countries.

This team of dedicated, creative competitors has been together for many years, first qualifying for the Global Finals in Knoxville, TN, as fourth-graders in Westerly Elementary School. In 2015, the team came in second place in the world for their category. What a sweet victory to take first place at the Global Finals in their category as Bay High juniors!

School board members ready to march with the Class of 2019 (from left): President Beth Lally,

Dr. Gayatri Jacob-Mosier, Steve Lee, Vice-President Lisa Priemer and David Végh.

# New appointments to leadership roles

## Aaron Ereditario is new Bay Middle School principal

Aaron Ereditario replaces retired principal of Bay Middle School, Sean McAndrews.

Ereditario has served as assistant principal at Bay High School since 2011. Prior to that, he served as assistant principal at Vermilion High School and taught Spanish at Avon High School and at Open Door Christian Schools. He also coached

freshman football and basketball while at Avon High School. While at Bay High, Ereditario worked closely with teachers, parents, and support staff to improve progress in every aspect of the student experience, from learning to discipline to their mental health.

He holds an MBA from Baldwin Wallace University, a Master's of Education degree from Ashland University, and a Bachelor of Arts in Spanish and a Bachelor of Science in psychology, both from the University of North Dakota. He and his wife, Bridget, have three children, all attending the Bay Village Schools.

Read more at: <http://bit.ly/EreditarioBMSprincipal>.

## Ramsey Inman is new Bay High assistant principal

Ramsey Inman has been named Assistant Principal at Bay High School.

Inman served as assistant principal at Cuyahoga Falls High School during the past year and as assistant principal at Shaker Heights High School for three years prior to that. He began his career as a social studies teacher at Bedford High School.

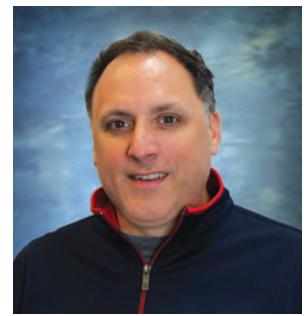

Ramsey Inman  
Bay High assistant principal

He holds a master's degree in educational administration from Ursuline College and a bachelor's degree in secondary education and integrated social studies from the University of Akron. He and his wife reside in the Ohio City neighborhood of Cleveland with their 16-month-old son. He replaces Aaron Ereditario, who was recently named principal at Bay Middle School.

Read more at: <http://bit.ly/MrInman>.

## David Végh appointed to Bay Village School Board

The Bay Village Board of Education unanimously appointed Bay Village resident David Végh to fill a board vacancy. Fourteen Bay Village residents were interviewed for the position.

David Végh  
Board of Education member

Végh is a sales director for Hyland Software and served as president and board member from 2013 to 2017 of Cleveland Kids in Need Resource Center, a nonprofit organization that provides school supplies to low income students. He is a graduate of the University of Dayton with a Master of Arts and Bachelor of Arts in English. He and his wife, Kathleen, have a daughter at Normandy Elementary School and two younger girls. Végh also volunteers at his daughter's school library.

Végh will need to run on the upcoming November ballot in order to continue the unexpired board term to its original completion date of December 31, 2021. The seat was vacated when former board member Amy Huntley resigned in April.

Read more at: <http://bit.ly/BayBOEappointment>.

## Holly Schafer is Director of Human Resources

Dr. Holly Schafer will serve as Director of Human Resources, a new position in the Bay Village Schools.

Schafer served as principal at Olmsted Falls High School since 2012. Prior to that she was assistant principal at Brunswick High School and a social studies teacher at Lakewood High School.

Holly Schafer  
Director, Human Resources

She holds an Ed.D. in Educational Leadership from Youngstown State University, a master's degree in education from Baldwin Wallace University and a bachelor's degree in history, political science and social studies from Cleveland State University. She and her husband have four children and live on the near-west side of Cleveland.

## Notice:

**The Bay Village City School District seeks to identify, locate and evaluate all children from birth to age 21 who may have a disability.**

A "child with disability" in Ohio means a child under age twenty-two who has an intellectual disability, a hearing impairment (including deafness), a speech or language impairment, a visual impairment (including blindness), a serious emotional disturbance, an orthopedic impairment, autism, traumatic brain injury, any other health impairment, a specific learning disability (including dyslexia), deaf-blindness, a developmental delay (for a child between the ages of three and five), or multiple disabilities; and who, by reason thereof, needs special education and related services. Parents may not be aware that their child has a disability or that there are programs and services available. Parents, relatives, public and private agency employees, and concerned citizens, are asked to help find any child who may have a disability and need special education and related services. Notify the Bay Village City School District Department of Student Services at 440-617-7300. District officials will talk with the parents to determine if an evaluation is necessary.
