

"Quality is never an accident; it is always the result of high intention, sincere effort, intelligent direction and skillful execution; it represents the wise choice of many alternatives.

-Wila A. Foster

TECHNOLOGY

1. The District Technology Office must approve all technology equipment and software purchases. The technology office ensures that each purchase is compatible with existing equipment, is compatible with future architecture in so far as it is possible, and is from the vendor that can provide the best value for the district.

Please allow ample time for the Technology Office to approve purchases.

2. The building Principal must approve all requisitions on Alio.
