

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards. GCISD's teachers, students, and parents developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents suggested ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the Compact and make changes based on student needs.

Parents are welcome to contribute comments at any time!

At Home:

Parents and guardians are vital to the success of our students and our school! You have a significant impact on the way students view the learning process, their attendance, and their motivation. To continue to encourage the success of our students, GCISD parents commit to:

- Keeping open communication with teachers and your student regarding academic progress (email, phone, conferences, meetings, etc.)
- Finding real-world ways to support your student's learning (letter writing, brainstorming ideas for home improvement, etc.)
- Helping students become organized at home and providing an area and time to complete homework.
- Encouraging students to set learning goals for improvement.

Students:

Students join with faculty, staff, and parents in creating goals for themselves for the school year. In order to encourage academic growth, students suggest:

1. Set goals for myself to increase reading time each day.
2. Find real world applications for writing.
3. Ask for help when needed.
4. Have a positive attitude about learning and setting goals for myself.
5. Be on time and present for school and class each day

Communication is Key!! We look forward to an exciting and successful school year!
