

According to the Every Student Succeeds Act (ESSA) passed in December 2015, this brochure details the elements of the Parent and Family Engagement Policy for Bains Lower Elementary School. This policy was developed jointly with, agreed on with, and distributed to the parents of Bains Lower Elementary.

We will share our school-wide achievement goals; what we will do at school to achieve those goals; and what will be done at home to achieve those goals.

Bains Lower Elementary
9794 Bains Rd.
St. Francisville, LA 70775

LOWER
ELEMENTARY
SCHOOL**

2021-2022

**Family Engagement
Plan & School Parent
Compact for
Achievement**

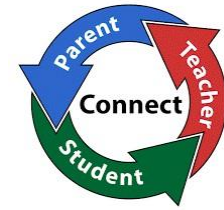

At School:

- We will provide all students with additional time and support to meet standards through high expectations and rigorous learning.
- Teachers will integrate and promote the love of art through the Louisiana A+ program in daily core subjects.
- All students will have STEM classes to help develop critical thinking skills on how to solve problems.
- The Leader in Me Program helps every student develop leadership skills necessary to become self-assured and confident.

At Home:

The support a child receives at home is as critical to their academic success as the support they receive at school. Below lists important steps that can be done at home to ensure students meet these goals:

- Work with your child on recognizing letters of the alphabet, numbers and colors in things that they see every day.
- Talk and listen attentively to your child; this will encourage them to talk and develop verbal skills.
- Read books that are interesting to your child daily.
- Sing and play rhyming games; encourages language.
- Limit the amount of time your child watches television, plays video games, uses the computer, etc.

Communication About Student Learning:

We are committed to working as a team with each family to achieve the highest levels of student learning. Below list some of the ways we will communicate from school to home:

- Email: Teacher & School-Wide
- Phone & in-person conference
- Conduct Charts
- Remind App
- OnCourse Parent Portal
- Student-Led Conferences
- Family Nights

Our Goals:

For the 2021-2022 school year, Bains Lower Elementary has established three achievement goals on which we will focus.

GOAL #1: On the DIBELS benchmark test, 75% or more of students will demonstrate proficiency of the Reading/ELA Louisiana Student Standards by the end of year.

GOAL #2: On the Math Benchmark test, 75% or more of students will demonstrate proficiency of the Math Louisiana Student Standards by the end of the year.

GOAL #3: At least 75% of students will demonstrate a level of positive behavior as measured by behavior tracking data by end of the year.
