Dear Families-

The purpose of this letter is to make you aware of a situation that occurred in the High School earlier today. A student reported to our security officer that another student on our campus was in possession of a taser. Mr. Walther quickly located the student and secured the device. The student admitted to having the device, turned it in without incident and appropriate steps are being taken.

At no time were students at risk and this situation is also a reminder to all of us that if you see something or hear something that is concerning, please report it immediately. The safety of our students, staff and school will always be our top priority. Please don't hesitate to reach out to the office if you have any questions.

Sincerely,

Mr. Oliver & Mr. Hurley
