

According to the Every Student Succeeds Act (ESSA) passed in December 2015, this brochure details the elements of the Parent and Family Engagement Policy for Bains Elementary School. We welcome the input from all stakeholders in the creation of this policy each year. The Family Engagement Night is the first event where this feedback can be given.

We will share our school-wide achievement goals; what we will do at school to achieve those goals; and what will be done at home to achieve those goals.

BAINS ELEMENTARY SCHOOL

2021-2022

*Family Engagement Plan
& School-Parent Compact
for Achievement*

Our Goals:

For the 2021-2022 school year, Bains Elementary has established three achievement goals with which we will focus.

GOAL #1: Bains Elementary will improve numeracy and problem solving by 70% or more of students demonstrating growth on the MAP Growth Assessment by the end of the 2021-2022 school year.

GOAL #2: Bains Elementary will improve literacy across all content areas as shown by 70% or more of students demonstrating Lexile growth on the STAR assessment by the end of the 2021-2022 school year.

GOAL #3: The school-wide average percent of students earning Bains Best will increase by at least two percentage points.

At School:

What we will do at school to ensure our students meet these goals:

- ◆ Prime Time: We will provide all students with additional time and support to meet standards in ELA and math.
- ◆ We will individually set goals with students and have them track their growth using assessments like STAR, LEAP 360, NWEA MAP, etc...
- ◆ Our Behavior Response to Intervention Program will support students and families by calling home frequently when students need greater support, and pairing struggling students with an adult for weekly check-ins.

At Home:

The support a child receives at home is as critical to their academic success as the support they receive at school.. Below lists important steps that can be done at home to ensure students meet these goals:

- ◆ Read with your student and have your student read aloud to you. Encourage students to read for pleasure!
- ◆ Work with students in becoming automatic with their fact families and time tables.
- ◆ Review your student's conduct chart each day.

Communication About Student Learning:

We are committed to working as a team with each family to achieve the highest levels of student learning. Below list some of the ways we will communicate from school to home:

- ◆ Email: Teacher & School-Wide
- ◆ Weekly/Monthly Classroom Newsletters
- ◆ Phone & in-person conference
- ◆ Conduct Charts
- ◆ Remind App
- ◆ Seesaw Website
- ◆ Class DoJo
- ◆ OnCourse Parent Portal
- ◆ Student-Led Conferences
