Dear GUSD Families, Friends, and Community,

Wow, what a summer so far! Globe has experienced fires and flooding so far, and we are just only past the 4th of July! At GUSD we are busy preparing for a new school year. As I write this update we are less than 4 weeks away from the first day of school for students (August 2nd, 2021). We look forward to welcoming our students back to what will hopefully be a more normal school year.

We have some new things to offer at GUSD. Just a couple of new items that may be of interest to Tiger Nation are:

- TKO is approved as an Arizona Online Institution. Students can enroll in TKO as still be a part of our GUSD family and be eligible to participate in extracurricular activities. Our District Online Coordinator is Ms. Morales. She can be contacted at 928-402-3206 if you would like to know more about TKO. You will also be able to find out more information from our district website at www.globeschools.org
- We will be welcoming several new teachers to our district including: Ms. Rachel Hansen at High Desert Middle School, Mr. Talmadge Hansen at Globe High School, Mr. Kimball Hansen at High Desert Middle School, Mr. Jimmy Crosby at Globe High School, Ms. Shannon Crosby at Globe High School, Ms. Melissa May at Copper Rim Elementary School, Ms. Jessica Gore at Copper Rim Elementary School, Mr. Luke McClung at Globe High School, Natasha Villalobos at Copper Rim and 1st Sgt. Francisco Flores at Globe High School.
- Globe High School has a new leadership team. Mr. Jim Hanlon will be serving as principal of Globe High School and Ms. Audra Gutierrez will be serving as Assistant Principal while continuing in her position as Athletic Director.
- We are instituting a new online registration system for the district. Please check out our website or contact your school office if you need help with this new system. Watch for more information in the very near future.

We look forward to a great year. I am excited about a return to a much more normal school year. Please feel free to contact the district office or a school office if you have questions about the start of the year. I anticipate a great school year as we work together to live up to our vision of “Capturing Hearts, Empowering Minds”.

Sincerely,

Jerry Jennex, Superintendent
