Bryan County Schools Sponsorship Opportunities

Bryan County Schools is looking for sponsors for the REACH (Realizing Educational Achievement Can Happen) Scholarship program. The REACH Georgia Program launched in 2012 to ensure Georgia's low-income, academically promising students have the academic, social, and financial support needed to graduate from high school, access college and achieve postsecondary success.

REACH is a mentoring and scholarship program that begins in the 8th grade with the identification of low income, academically promising students. Selected students, known as "REACH Scholars," in the REACH program, are paired with a volunteer mentor and an academic coach throughout their middle and high school years.

REACH Scholars participate in special programs and events focused on preparing them for college completion and future careers. Upon graduation from high school, REACH Scholars are awarded up to a \$10,000 scholarship to be used at any Georgia HOPE-eligible two- or four-year college. Some of Georgia's colleges have committed to matching the \$10,000 scholarship to provide additional resources for these students.

The REACH Georgia Foundation fully funded the first five (5) REACH Scholars selected in Bryan County Schools. In year two and beyond, we rely on the business and philanthropic community to donate a portion of each new selected student's scholarship. Specifically, for Bryan County's REACH Scholarship Program, there is a \$6000 contribution made by the REACH Georgia Foundation for every \$4000 donated locally, to make up a student's \$10,000 scholarship.

This investment more importantly allows promising Bryan County students to turn their dreams of attending college and having fulfilled lives into a reality. Our hope is that by reaching students earlier, we will be able to provide a long-term support structure and ensure they have a firm foundation to be successful adults regardless of their current situation.

On behalf of Bryan County Schools REACH Georgia Program, I truly thank you for this opportunity to present the REACH program to you. Please consider becoming a Bryan County School's REACH Georgia Program Sponsor today. There are three levels of sponsorship detailed below; however, any amount is welcomed and appreciated.
