Dr. Clayton J. Theisinger  
*Superintendent*

---

July 9<sup>th</sup>, 2021

Dear PC #535 Families & Community:

As of this morning, the CDC has released their formal guidance for schools for the 2021-2022 school year. IDPH adopted this exact guidance this afternoon and Dr. Ayala (State Superintendent) signed a resolution to resume full in-person learning for attendance days. ISBE will likely issue guidance and requirements based on this adoption by IDPH in the next week or so.

Please see the following links for exact guidance and information:

[CDC Guidance](#)

[IDPH Adoption](#)

For our District, this guidance along with information from ISBE will be used to properly plan and make the safest and best decisions possible for all students, staff, and schools. While we do not have all of the answers yet, we are finally gaining better clarity for how to plan for the upcoming year.

Amid all of these challenges, thank you for your continued patience and understanding. We will continue to do our best to keep everyone informed on updates in the coming days and weeks.

On a final side note, please remember that registration is now open and can be started via the [PC website](#).

If you have any other questions, do not hesitate to contact me at [theisingerc@pcschools535.org](mailto:theisingerc@pcschools535.org) or (815)882-2800 ext. 5.

Sincerely,

A handwritten signature in black ink, appearing to read 'CJ Theisinger', is written over a light blue horizontal line.

Dr. Clayton J. Theisinger, *Superintendent*
