

# Bear River High School

## Community Council Minutes

**Meeting Date:** November 27, 2018

**Meeting Time:** 3:30pm

**Meeting Location:** Bear River High School Conference Room

**Members Present:** Kristi Capener, Katie Stapley, Brett Marble and Jamie Mecham

**Members Absent:** Layne Sorensen, Crystal Hernandez, Tiffany Schultz, Jason Warner and Tory Birkinshaw

**Introductions:** Mrs. Capener welcomed the council and excused President Layne Sorensen.

**Financial Report:** Mrs. Capener reviewed and explained the final report from 2017 – 2018. She would like to simplify the budgets this year since there was quite a bit of confusion with money being spread out in so many different budgets last year, see below. She expects that there will be about \$130,000 in our budget for next year. Our greatest academic needs are math, reading and writing.

**Data Review:** Mrs. Capener will send out in an email the data review.

### **Other Items:**

Attendance - Mrs. Capener asked the council to think of ways we can improve our attendance. She explained in our first trimester about 200 students missed at least 25 days of school. The biggest problem is that House Bill 238 took away the non-attendance punishment for parents. The school has used citizenship as a punishment but they are looking for a better solution.

Graduation Gowns – Mrs. Capener wants graduation to be a formal event for our students. She feels like our students don't get enough of these kind of experiences and wants it to be special. In the High School Principals meeting it was decided that the two high schools would just wear one color at their respective graduations. Josten's announced the change in their graduation meeting with the seniors in October. The decision has been met with some resistance so the school will be holding a vote to decide if the changes will be implemented this year. If no, changes will take place in 2019-20. Mrs. Capener feels that by going to one color the school is showing unity to our community.

School Mission & Vision Statement - Mrs. Capener reviewed these with the council.

Mission

Achieve Success

Learn to Be Responsible

Cultivate Respect for Themselves & Others

Vision

Learning for All!!

At the end of last year the council put together the collective commitment for the school. Tiffany Schultz wanted to review this but she was unable to attend.

Teacher Proposals – Dates were set for the teacher proposals for next year's plan. They will be split between two dates, January 28, 2019 and February 25, 2019.

**Next meeting:** The next meeting will be held on **Monday, January 28, 2019 at 3:30** in the Office Conference Room.

## Goal #1 Goal

Bear River High will increase ACT college readiness benchmarks. Last year 16% of our Junior students met all four of the college readiness benchmarks. We would like to increase this by 3% which is a 1 point increase in the composite score.

## Academic Areas

- Reading
- Mathematics
- Writing
- Science

## Measurements

This is the measurement identified in the plan to determine if the goal was reached.

Bear River High will increase our overall composite benchmarks by 3%. This will be a one point increase.

Please show the before and after measurements and how academic performance was improved.
