

### WHAT WE DO

The **Waller County Child Welfare Board (WCCWB)** wants people to learn and be more concerned about children in foster care due to child **abuse** and neglect. Our Board members work at the grassroots level to meet the needs of these children from our community.

The Waller County Child Welfare Board (WCCWB) and the Waller County Child Welfare Charity (WCCWC):

- collaborates to meet the tangible needs of children receiving CPS services.
- hosts holiday celebrations and other special events for caseworkers and foster children.
- provides support for family group decision-making meetings, foster parent training, and foster youth conferences.
- sponsors and promotes public awareness events to raise consciousness about child abuse prevention to recruit foster and adoptive homes.
- 🜲 celebrates Forever Families.
- coordinates with courts and judges in pioneering solutions that support children and families and work to eliminate abuse and neglect.
