To help your child stay organized, **please take scissors, Play-Doh, erasers, pencils, highlighters, glue sticks, and Expo markers out of their packaging (except for crayons) and put them into a gallon size Ziplock bag with your child's name on it.**

Please put your child's name on his/her supply box, folders, and composition notebook. This will keep things running smoothly on the first day of school. We will store the Ziploc bags. Teachers may ask for additional supplies throughout the year as needed.

Also, please help your child learn to tie their shoes during the summer. This will help them and keep them safe throughout the year.

Thank you!
