

Comprehensive Progress Report

Mission: The Magnolia School District, in cooperation with the family and the community, is committed to providing a safe learning environment in which all students are offered quality educational opportunities that challenge them to reach their full potential, to respect individual differences, and to prepare for lifelong learning in a diverse and changing society.

Vision: Where All Belong, All Learn, All Succeed

Goals:

The Magnolia School District constantly strives to ensure a quality education and high levels of learning for all students.

The goals for improving reading achievement throughout the district are as follows: • To continue proficiency and awareness training in the science of reading • To implement the evidence-based science of reading practices • To teach and solidify the Reading Foundational Skills needed to result in student proficiency in reading • To close reading gaps by addressing the deficits in Reading Foundational Skills and other components of the science of reading • To meet or exceed student expected growth as measured by the ACT Aspire Summative Assessment

Target Date

Initial Assessment:

The district utilizes ESSA School Index Reports and all other available data to determine areas in need of support. The district trains and supports personnel in school improvement initiatives such as implementation of the components of the science of reading according to Act 1063.

Limited Development
11/13/2015

How it will look when fully met:

The district provides opportunities for personnel to be trained in school improvement initiatives. Major decisions are reached through considering "is this best for ensuring high levels of learning for all students?" It is clearly understood that improving student learning is the primary responsibility of the principal and the main focus for each school. Major decisions within the district support the goal of ensuring high levels of learning for all students.

	IA15	The district allows school leaders reasonable autonomy to do things differently in order to succeed.(15)(AllDistricts)	Implementation Status	Assigned To	Target Date
<i>Initial Assessment:</i>		The superintendent allows principals and leadership teams to make decisions based on needs assessments.	Limited Development 10/26/2015		
<i>How it will look when fully met:</i>		The district demonstrates a sustained commitment to improve all schools by developing the capacity of school personnel. District leaders clearly communicate evidence-based practices which should be in place in each school. Processes have been created to support principals and school leaders as they implement these practices, monitor the results, and make changes as needed. District leaders monitor student learning on a frequent and timely basis, and decisions are made based on the analysis of student learning data. District leaders celebrate progress and work to support the conditions needed in each school to ensure that all students learn at high levels.		John Ward	05/27/2022

	5/14/21	<p>In 2020, the Magnolia School District established a task force to develop a Re-Entry Plan in preparation for the return to onsite instruction and the implementation of the Ready for Learning Model components. The task force is comprised of committees and subcommittees. Committees include the following: Curriculum Delivery, Scheduling, Health and Safety, Technology Access, Professional Development, Extra-Curricular and Policies Oversight. The 2020-2021 District Re-Entry Plan is accessible through the following link:</p> <p>https://www.magnoliaschools.net/o/msd/page/district-re-entry-plan.</p> <p>During the 2020-2021 academic year, needs were identified which prompted the establishment of Instructional Technology and Digital Learning committees. These committees continue to meet regularly and have representation from all campuses.</p>		John Ward	05/27/2022
