

Back to school time is rapidly approaching and we eagerly anticipate the beginning of the 2021-22 school year! Teachers report back for preplanning on Monday, July 26<sup>th</sup>. Open House dates are planned for

**July 28 – ES Grades 1, 2, 4 at 5:00-6:30 and MS Grades 6-8 at 5:15-6:45**

**July 29 – ES Grades K, 3, 5 at 5:00-6:30 and HS Grades 9-12 at 5:15-6:45**

**Pre-k will be scheduled by teacher with parents being notified for specific times.**

As you plan for the school supplies your younger students will need, know that this year, all K-8 basic materials will be provided, using Cares III funding. These materials include notebooks, pencils, pens, and other supplies to match teacher requests for students' individual needs at each grade level. Additional class supply needs for each grade level will be posted. These will only be items that will aid general classroom needs. Parents may contribute to these supplies as they wish at any time. Thank you and we are looking forward to a great school year.
